and he's spent all year getting things back on track When he and Eliot find a box of Auntie's mementoes in the basement highlighting a very unconventional theatrical career he decides to hold a party to honour her But there are way too many obstacles preventing him getting his friends together in one place this close to Christmas Or so everyone keeps telling him Rick loves his partner Eliot and is very fond of his friends But a man's patience can only stretch so far The day of Auntie's birthday turns out to be a very confusing and distracting time for him and everyone except him seems to be in on it From covert meetings to secret recipes to mysteriously vanishing decorations and even through a very hot but surprising seduction Rick is led astray until the day is almost over And then his friends show another side of their meddling Auntie Pop had love and respect from many of the escorts at the Haven and it looks like her day will be fondly remembered after all And Rick and Eliot may have the chance at last to make their own special commitment that's if Rick ever forgives all the subterfuge this Christmas special is a self-contained story but it features all the characters who live and work at the Haven so it may be more fun if you've read the previous books **Forbidden Love in Timbuktu** Brenda Smith, 2016-05-27 Kieta Toures a native of Timbuktu finds herself in America trying to sort out how she got there Her only memories are of how her life changed after she met Mahmoudou Ibrahim The two fell in love and their relationship flourished until insurgents came bringing new rules for citizens to follow Their desire to be together trumped the law Although they exercised caution they were caught She was captured and punished but did not know what happened to him a fate that should have ended their story However that was just the beginning of a riveting tale **Forbidden Love in Timbuktu** Woman from Another Land The Publishers Weekly, 1972
