Love In The Time Of The Apocalypse:

Love in the Time of the Apocalypse Gregory Blecha, 2005-02-17 Though a dystopian novel hovering over the imminent collapse of American civilization at the hands of a techno authoritarian state *Love in the Time of the Apocalypse* is also a book about the triumph of love and humor over the fatal gravitas of life and death It is part future nightmare part whimsical farce of the present *Love in the Time of the Apocalypse* is a work of playful conspiratorial pop delirium and pastiche full of lovable terrorists state run breeding houses Amish casinos vulgar action scenes the antichrist tongue and cheek hyper masculinity perhaps sit ups can save the world and a bourgeois love story to top it all Readers who love Science Fiction Dystopian Literature and Conspiracy Theory will find this book chock full of fresh and clever fare The speculative details are much more subtle than works on the post apocalypse The reader can feel both drawn into a bit of a future shock while at the same time remain anchored in a familiar albeit terrifying present Blecha has a way of pulling from current trends of government suppression of freedoms and stretching them ever so softly to their possible conclusion Thus rather than a world of utter totalitarianism such as Orwell's 1984 we are presented with a more plausible more friendly fascism that a society founded on consumerism and entertainment might bring about Without coming across as a writer with an agenda Gregory Blecha offers a strong but playful critique of State power the smothering inefficiency and corruption of bureaucracy and the role of the over stimulated under critical herd of middle class consumers and middle managers of a collapsing North America Tramps plague victims nihilists and nymphomaniacs along with the main character a WASP drawn into their exciting world make for the heroes of the story The villains are the lifeless and systematic processes of the Federal Government the Department of Health the Department of Overpopulation and the technological control systems of modern life and yet even these are rendered with an air of playfulness that allows the reader to smile as the world comes crumbling down **Love in**

Love in the Time of Cinema K. McKim,2011-11-08 Kristi McKim offers close analyses of films in which attachment and detachment intimacy and distance ephemera and endurance become more visible and meaningful Films discussed include Wim Wenders Wings of Desire Agn s Varda s Jacquot de Nantes Doris D

rrie s Cherry Blossoms and Olivier Assayas Summer Hours **Love in the Time of Contagion** Laura Kipnis,2022-02-08 In this timely insightful and darkly funny investigation the acclaimed author of Against Love asks what does living in dystopic times do to our ability to love each other and the world COVID 19 has produced new taxonomies of love intimacy and vulnerability Will its cultural afterlife be as lasting as that of HIV which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science Will COVID end up making us more relationally conservative as some think HIV did within gay culture Will it send us fleeing into emotional silos or coupled cocoons despite the fact that pre COVID domestic coupledness had been steadily losing fans Just as COVID revealed our nation to itself so did it hold a mirror up to our relationships In Love in the Time of Contagion Laura Kipnis weaves often hilariously her own ambivalent coupled lockdown experiences together with those of others and sets them against a larger backdrop the politics of the virus economic disparities changing gender relations and the ongoing institutional crack ups prompted by MeToo and Black Lives Matter mapping their effects on the everyday routines and occasional solaces of love and sex Love in a Time of Loneliness Paul Verhaeghe,2018-04-17 The first essay The Impossible Couple is both a humorous and razor sharp analysis of the contemporary relationship between man and woman In the second essay Fleeing Fathers the author demonstrates that today the Freudian Oedipus complex has disappeared with a resulting shattering of classic gender roles Post modern morals are strange compared to previous morality because they convey an obligation to enjoy Things become even stranger when one finds that the expected enjoyment fails to come and instead of that we are faced with boredom anxiety and anger The author reconsiders the opposition between Eros and Thanatos as an opposition between two forms of sexual pleasure The fact that this opposition is ever present in heterosexual love demonstrates that gender differentiation goes beyond temporal cultural forms Accessibly written and provocatively argued Love in a Time of Loneliness is a polemic whose very informality belies its serious intent In these three fascinating essays The author leaves the ordinary paths of thinking and sets out to discover what drives us in sex and love **Love in the Time of Flowers** William Penn,2009-07-06 YOUR SACRED PLANTS OR FLOWERS IF PLANTED ONLY HERE BELOW ONLY AMONG THE PLANTS OR FLOWERS HERE BELOW WILL GROW THE GARDEN ANDREW MARVELL **Love in the Time of Horses** Charles Porter,2021-07-31 A horse story for riders A gun story for shooters A love story for lovers A year in the life of Orin Kraybill and his wife Isabel professional dressage competitors and trainers who follow the horseshow circuit to Florida every winter They are friends with Joel Katz a highly ranked jumper rider and champion sharpshooter whose girlfriend Jane Kline is a concert pianist and fellow shooter The story winds through the big shows and hours of training along with the unusual atmosphere of gun ranges and cowboy fast draw contests where two brothers from the farms around Belle Glade are Joel s rivals and adversaries Love in the Time of Horses is an inside look at the tony cabalistic world of international horse showing and coaching that returns to Florida every winter for the ruling class and famous to entertain compete and play in the sun parlors of Palm Beach County *Love in the Time of the Apocalypse*

Rouba Shishakly,2018-05-04 Love A terrible debilitating thing he mused I've always been so repelled by the prospect of love and death both of which I regard to be inherently mortal afflictions that must plague mankind The clock is ticking to create a cure for the virus that currently grips the world But as the deadline approaches a key mission is sabotaged and Mira Iliev a government scientist finds herself unwittingly allied with the most hated man in Eastern Europe Demir Gudelj turns himself in after a very successful career as an international Drug Lord But when his meticulously planned contract with the government goes awry he finds not only his promised full pardon at risk but also his lifelong beliefs What follows will test Demir's wits his will to survive and his heart Mira wonders if she could love Demir like she does if they were both on the same side In the meantime the war continues and part of her is glad Maybe he'd been correct Maybe survival in times like these required more than peacetime morals Maybe the meek did not have what it took to inherit the earth A story of corruption repentance and forgiveness

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To

understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Work Mate Marry Love Debora L. Spar, 2020-08-18 A crucial guide to life before and after Tinder IVF and robots What will happen to our notions of marriage and parenthood as reproductive technologies increasingly allow for newfangled ways of creating babies What will happen to our understanding of gender as medical advances enable individuals to transition from one set of sexual characteristics to another or to remain happily perched in between What will happen to love and sex and romance as our relationships migrate from the real world to the Internet Can people fall in love with robots Will they In short what will happen to our most basic notions of humanity as we entangle our lives and emotions with the machines we have created In **Work Mate Marry Love** Harvard Business School professor and former Barnard College president Debora L. Spar offers an incisive and provocative account of how technology has transformed our intimate lives in the past and how it will do so again in the future Surveying the course of history she shows how marriage as we understand it resulted from the rise of agriculture and that the nuclear family emerged with the industrial revolution In their day the street light the car and later the pill all upended courtship and sex Now as we enter an era of artificial intelligence and robots how will our deepest feelings and attachments evolve In the past the prevailing modes of production produced a world dominated by heterosexual mostly monogamous two parent families In the future however these patterns are almost certain to be reshaped creating entirely new norms for sex and romance and for the construction of families and the raising of children Steering clear of both techno euphoria and alarmism Spar offers a bold and inclusive vision of how our lives might be changed for the better
