University of California Chronicle ,1923 The Myth of a Christian Nation Gregory A. Boyd, 2009-05-18 The church was established to serve the world with Christ like love not to rule the world It is called to look like a corporate Jesus dying on the cross for those who crucified him not a religious version of Caesar It is called to manifest the kingdom of the cross in contrast to the kingdom of the sword Whenever the church has succeeded in gaining what most American evangelicals are now trying to get political power it has been disastrous both for the church and the culture Whenever the church picks up the sword it lays down the cross The present activity of the religious right is destroying the heart and soul of the evangelical church and destroying its unique witness to the world The church is to have a political voice but we are to have it the way Jesus had it by manifesting an alternative to the political power over way of doing life We are to transform the world by being willing to suffer for others exercising power under not by getting our way in society exercising power over **Hymns and Verses** Lady Catherine Howard Petre, 1902 Drink of the Stream Penny Hickey, 2010-04-27 Carmelite history and prayer begin with Elijah on Mount Carmel From Elijah has descended a long line of saints who have heard the voice of the Lord calling them to leave everything and come drink from the stream This book is an invitation for you to come and pray with the holy men and women of the Carmelite order The prayers and meditations in this book will help the reader listen to and pray with the saints of Carmel throughout the ages from Elijah through the twentieth century In these prayers are stories of particular times places longings sometimes suffering at other times ecstatic joy These prayers allow one to enter into the most intimate depths of the souls of Carmelite saints How better to learn than from the masters themselves This book is made up of the prayers and meditations of more than twenty five saints along with a short biography of each saint and numerous illustrations In addition to helping one with prayer and meditation it also provides prayer for specific topics Whether one is a beginner or highly advanced in prayer there is a prayer suitable for nearly every occasion These magnificent prayers echo from prison cells hospital beds battlefields and even treetops It gives special emphasis to the

prayers and meditations of the three great Carmelite mystics Teresa of Avila John of the Cross and Th r se of Lisieux But the other twenty two saints include a wonderful variety with Elizabeth of the Trinity Simon Stock Titus Brandsma Edith Stein and many more Illustrated **A Christian Theology of the Cross** Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God s approval of Abel s offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel s offering don t negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance [University of California Chronicle](#) University of California, Berkeley,1923

The York Corpus Christi Plays Clifford Davidson,2011-10-01 The feast of Corpus Christi celebrated annually on Thursday after Trinity Sunday was devoted to the Eucharist and the normal practice was to have solemn processions through the city with the Host the consecrated wafer that was believed to have been transformed into the true body and blood of Jesus In this way the cultus Dei thus celebrated allowed the people to venerate the Eucharistic bread in order that they might be stimulated to devotion and brought symbolically even mystically into a relationship with the central moments of salvation history Perhaps it is logical therefore that pageants and plays were introduced in order to access yet another way of visualizing and participating in those events Thus the invisible things of the divine order from the creation of the world might be displayed The York Corpus Christi Plays contained in London British Library MS Add 35290 and comprising more than thirteen thousand lines of verse actually represent a unique survival of medieval theater They form the only complete play cycle verifiably associated with the feast of Corpus Christi that is extant and was performed at a specific location in England
