

## **Tough Choice**

*A girl was in love with a guy but her friends never approved of him. They were not happy with her choice. Her friends judged the guy because of his past. The girl would not listen to her friends as she had fallen for the guy. She used to trust his love ignoring his past. One day her friends asked her to choose between them and her boyfriend. The girl said that her friends and the guy were equally important to her. But if they were her true friends, they would understand her feelings for him. They would never put her in a spot where she had to choose between friends and boyfriend. She left them and said her boyfriend was waiting for her. Her friends were shocked. But the girl knew inside her heart that she made the right choice.*

**LA LOVE STORIES** Martin Copeland, 2019-10-01 Tales of questing hearts in the City of Angels      **Love Stories** Paul Manning, 2015-05-15 In the remote highlands of the country of Georgia a small group of mountaineers called the Khevsurs used to express sexuality and romance in ways that appear to be highly paradoxical On the one hand their practices were romantic but could never lead to marriage On the other hand they were sexual but didn't correspond to what North Americans or most Georgians would have called sex These practices were well documented by early ethnographers before they disappeared completely by the midtwentieth century and have become a Georgian obsession In this fascinating book Manning recreates the story of how these private secretive practices became a matter of national interest concern and fantasy Looking at personal expressions of love and the circulation of these narratives at the broader public level of the modern nation Love Stories offers an ethnography of language and desire that doubles as an introduction to key linguistic genres and to the interplay of language and culture      **Anne Tyler** Robert W. interviewers he continued to grant interviews as long as his health permitted This act of openness illustrates his humility before his ideas and his desire to help others understand them Although the questions he was asked almost invariably became predictable he always managed to add an anecdote an illustration a topical reference that would breathe new life into the responses he was making The interviews in this collection show him at the height when he knew that his illness would not allow him to write any more books and that the only way to restate his ideas and offer a valediction to the large audience to whom he had always been kind patient and appreciative was to speak out Percy despised the posture of many modern self proclaimed intellectuals who delight in cloaking ideas in jargon and abstraction He always tried to express himself clearly and as free of reservations as possible These interviews reflect that clarity With this book readers will welcome yet more close encounters with him

**Making Black History** Dominique Haensell, 2021-10-04 This study proposes that rather than trying to discern the normative value of Afropolitanism as an identificatory concept politics ethics or aesthetics Afropolitanism may be best approached as a distinct historical and cultural moment that is a certain historical constellation that allows us to glimpse the shifting and multiple silhouettes which Africa as signifier as real and imagined locus embodies in the globalized yet predominantly Western cultural landscape of the 21st century As such *Making Black History* looks at contemporary fictions

of the African or Black Diaspora that have been written and received in the moment of Afropolitanism Discursively this moment is very much part of a diasporic conversation that takes place in the US and is thus informed by various negotiations of blackness race class and cultural identity Yet rather than interpreting Afropolitan literatures merely as a rejection of racial solidarity as some commentators have they should be read as ambivalent responses to post racial discourses dominating the first decade of the 21st century particularly in the US which oscillate between moments of intense hope and acute disappointment Please read our interview with Dominique Haensell here <https://blog.degruyter.com/de-gruyters-10th-open-access-book-anniversary-dominique-haensell-and-her-winning-title-making-black-history>

**Crossed Lives—Crossed Purposes** Ray Blunt, 2012-04-12 Thomas Jefferson and William Wilberforce were born at a time of great dangerous challenges where unprecedented revolutions in thought governments worldview and culture swept in Their lives from their beginning tragedies down to their calling and early commitments to end slavery make their stories even more amazing Powerfully formed as leaders by exceptional mentors and lifelong supporters they were sustained in their difficult journeys through several critical forks While each experienced the early failure to abolish slavery eventually one man backed away from his responsibility while the other became a globally recognized leader of mercy to the oppressed Why the so called tyrant monarchy England was led to dissolve slavery peacefully and why the first democracy formed in liberty wasted six hundred thousand lives for the same end remains a conundrum to this day Even more puzzling is why despite fierce opposition Wilberforce persisted to lead this victory while Jefferson failed to do so This even deeper question reveals much about the power of purpose of beliefs worldviews and what constitutes true success In the end their competing stories produce valuable lessons apt for our equally perplexing times Whether an aspiring young leader one who seeks to shape the next generation or a student of history the reader will find here answers to important questions we all share For those interested in further resources for leadership development worldview history finishing well and other themes from this book visit the website at <http://crossedlives.org>
