Toh,2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the

root issues among women's sexual struggles while focusing specifically on the issues of pornography and sexual abuse. Ministry leaders must help women find freedom from sexual shame to help them walk in sexual integrity, wholeness and healing. The freedom journey begins through understanding the character of God being known in biblical community and understanding God's design for sexuality. This research project is a dissertation from Dallas Theological Seminary's DMin program.

**Biblical View of Sexual Purity** Jane Owens, 2010-04-15 Sexual purity is there such a thing? Can anyone be sexually pure? Many books have been written about sexual purity within and without the confines of marriage. Sexual purity as taught in God's Word, the Holy Bible, is the only source of truth regarding sexuality. The Creator knows how His creation functions. He is the one who gave us the gift of sexual purity and He has given us His instructions on how to use that gift. Purity means one who is clean physically, morally and ethically. The Hebrew root word is *thar* meaning to pronounce clean or to perform the ceremony of cleansing.

**Advancing Sexual Health for the Christian Client** Beverly Dale, Rachel Keller, 2019-03-04 Advancing Sexual Health for the Christian Client is an essential toolkit for professionals working at the intersection of Christian belief and sexual health. In this book, Beverly Dale and Rachel Keller deconstruct potentially harmful Christian beliefs around sexuality to support clients stuck in sexual guilt, shame and fear. Combining the experience of an ordained Christian clergy with a certified sexologist, this guide promotes a new approach to sex and faith for therapists which will help their clients to reconcile a belief in God's love with sexual knowledge and fulfilment. Grounded in historical and cultural contexts and drawing from both academic research and scriptural exegesis, the authors offer practical clinical applications and interventions to enable clients to re-examine their sexual beliefs in a way that encourages sexual healing. By understanding the goals of a sex-positive, body-positive Christianity, professionals can find a common language with the person of faith and build an effective therapeutic relationship. This book will be a key point of reference for any sex therapist, educator or student looking to integrate faith-based concepts into their approach.

Authentic Human Sexuality Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially, lay groundwork for a normative Christian interpretation of sexuality, show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment, pornography and rape.

**Living Out Sexuality and Faith** Joseph N. Goh, 2017-12-15 Sexuality, religion and faith often have complex and conflicting interactions on both personal and societal levels. Numerous studies have been conducted on queer subjects but they have predominantly focused on Western expressions of faith and queer identities. This book contributes to the wider scholarship on queer subjects by drawing on actual lived experiences of self-identifying gay and bisexual men in Malaysia. It discusses what we can learn from the realities of their lives that intersect with their religious, spiritual, theological or humanistic values in an Asian context. Analysed within the critical frameworks of queer theory and queer sexual theology, this study divulges the meanings ascribed to sexual identities and practices as well as conceptualisations of masculinity, sexual

desire love and intimate physical connections It also lays bare the complex negotiations between gender desire and spirit and how they can affect one another Tying fascinating case studies and underexplored Asian theologies with wider conversations around sexuality and faith this book will be of significant interest to scholars working in religious studies theology queer studies sexuality studies and Asian studies **Bisexuality and the Western Christian Church** Carol A. Shepherd,2018-08-01 This book critically examines the lived experiences of bisexual Christians across a range of Christian traditions in the UK and the USA Shepherd assesses whether current data on elevated rates of depressive illnesses among bisexual people also apply to the bisexual Christian community Drawing on data collected by the author on bisexual Christians across the lifespan the book uncovers shocking incidences of biphobia and bi erasure in the Church Widespread ignorance among pastors of middle sexualities outside of the hetero homonormative binary is revealed as well as a corresponding absence of appropriate support resources **Bisexuality and the Western Christian Church** will be of interest to students and scholars across a range of disciplines including gender studies applied theology sociology and social psychology It is also important reading for clergy and LGBT faith organisations With a Foreword by Eric Anderson Professor of Sport Masculinities and Sexualities University of Winchester UK ***Misguided Love*** Charles Fensham,2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop Charles Fensham ***Modern Christianity Corrupted*** Bob Klingenberg,Robert Klingenberg,2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies ***Sex in Christianity and Psychoanalysis*** William Graham Cole,2015-11-06 Originally published in 1956 this survey of the interpretations of sex by the major figures in Christian thought and in psychoanalysis made an important contribution to the re thinking of our sexual morality at the time The author refutes the common belief that the negative attitude toward sex and the body which had been predominant in western civilization originated with Christianity He shows that such a viewpoint was widespread in the early Hellenism Age nearly three centuries before Christ He emphasizes the essentially positive view which Biblical religion demands and shows how Christianity s attitude early became corrupted by the dualism of the Orient He points to the need for a return to essential

naturalism and the Biblical interpretation of sex The first part of the book consists of a historical treatment in the Christian tradition touching upon the teaching of Jesus Paul Augustine Aquinas Luther Calvin and others He analyses the classical and contemporary attitudes and ideas in both Catholic and Protestant circles and shows how Christian understanding comes into conflict with psychoanalysis In the later portions of the book the author discusses sex and psychoanalysis and the major problems in sexual mores He ends with a synthesis of the religious and psychoanalytic points of view and a critical reconstruction of a Christian interpretation
