Koenig,2015-01-05 Use Life Skills Not Willpower to Stop Overeating The reason you turn to food when you re stressed or distressed is that you don t have better ways of managing life s ups and downs According to Karen R Koenig an expert on the psychology of eating you can transform your eating habits and your life by developing effective life skills When you have enhanced skills you won t need to turn to mindless eating to make it through the day and will get the best out of life rather than letting life get the best of you With Koenig s guidance you ll learn how to establish and maintain functional relationships take care of yourself physically and emotionally think rationally and create a

passionate joyful and meaningful life When these behaviors take root and become automatic food becomes what it is meant to be nourishment and one of life s many pleasures
