Apocalypse Angeless Watkins-Gallar,2024-06-14 The world once vibrant with the heartbeat of civilization had succumbed to the merciless grip of the apocalypse A pandemic unleashed with the insidiousness of a shadow had turned the living into the undead transforming bustling cities into haunting mausoleums John Marshall a man driven by an undying love found himself cast into this grim theatre of survival As the sun dipped below the horizon leaving the sky ablaze with hues of blood red and ash grey John stood at the precipice of a ravaged city It was a place that once echoed with the laughter of children the hum of traffic and the rhythm of life's heartbeat Now the air was thick with the stench of decay and the only sound that reverberated was the guttural moan of the undead echoes of a world that had crumbled into desolation **Love Remains**

Jeff Hood,2016-12-06 Love Remains is a collection of Dr Hood's prophetic writings from 2014-2015 *Apocalyptic Sentimentalism* Kevin Pelletier,2015-01-15 In contrast to the prevailing scholarly consensus that understands sentimentality to be grounded on a logic of love and sympathy Apocalyptic Sentimentalism demonstrates that in order for sentimentality to work as an antislavery engine it needed to be linked to its seeming opposite fear especially the fear of God's wrath Most antislavery reformers recognized that calls for love and sympathy or the representation of suffering slaves would not lead an audience to feel right or to actively oppose slavery The threat of God's apocalyptic vengeance and the terror that this threat inspired functioned within the tradition of abolitionist sentimentality as a necessary goad for sympathy and love Fear then was at the center of nineteenth century sentimental strategies for inciting antislavery reform bolstering love when love faltered and operating as a powerful mechanism for establishing interracial sympathy Depictions of God's apocalyptic vengeance constituted the most efficient strategy for antislavery writers to generate a sense of terror in their audience Focusing on a range of important antislavery figures including David Walker Nat Turner Maria Stewart Harriet Beecher Stowe and John Brown Apocalyptic Sentimentalism illustrates how antislavery discourse worked to redefine violence and vengeance as the ultimate expression rather than denial of love and sympathy At the same time these warnings of apocalyptic retribution enabled antislavery writers to express albeit indirectly fantasies of brutal violence against slaveholders What began as a sentimental strategy quickly became an incendiary gesture with antislavery reformers envisioning the complete annihilation of slaveholders and defenders of slavery **Love and Apocalypse** Scott Reeves,2012-02-10 100 Poems about love and the end of the world and about love being the end of the world **Revelation's Great Love Story** Larry L. dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return *Thunder and Love* Stephen S. Smalley, 2013-01-24 The title *Thunder and Love* speaks of the passion and compassion of the writer of Revelation That exciting but sometimes perplexing New Testament document is the subject of Dr Smalley's fascinating study His book combines the depth of research required for the serious scholar of apocalyptic literature with many fresh insights and surprising conclusions for the inquiring reader We are given here not only a new appreciation of the text of Revelation and of the volatile community for which John wrote but also a sharp application of its message to the needs of our present spiritual social and political situation **Cookie Love** Chico, 2020-04-06 *Cookie Love The Cookie Love Chronicles* By Chico In this collection of short stories set in different time periods and genres all feature the elegant and gorgeous Cookie Love No matter where no matter what you will fall under her spell and you won't want to escape In the mythical Kingdom of Fantasia Cookie Love is under a dangerous curse that can only be broken with true love's kiss In South Carolina in the 1990s she is a young woman preparing to compete in a music competition In the future she is an ancient goddess frozen until she is needed to save her people In space she is a warrior rescuing a kidnapped princess and fighting the Dark Lord Vega In each story Cookie Love realizes her destiny as the Goddess of Love saving and inspiring people and always destined to be with her handsome hero Mark Eric Filled with action magic adventure and passion these stories feature powerful women saving the day and being rewarded true love *Love Between Women* Bernadette J. Brooten, 2009-02-15 *Love Between Women* examines female homoeroticism and the role of women in the ancient Roman world Employing an unparalleled range of cultural sources Brooten finds evidence of marriages between women and establishes that condemnations of female homoerotic practices were based on widespread awareness of love between women An extraordinary accomplishment A definitive source for all future discussion of homoeroticism and the Bible Mary Rose D Angelo Harvard Gay Lesbian Review Brooten's convincing analysis not only profoundly reshapes our understanding of the past but it should also shape the way in which that past particularly the early Christian texts with their immense normative weight will be used for the future Anne L Clark Journal of Lesbian Studies *Love Between Women* gives contemporary debates on sexuality a carefully delineated past It boldly insists upon a different future one informed by history but not tyrannized by

Love, Violence, and the Cross Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In *Love Violence and the Cross* Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus's death is simultaneously a crime and an element of God's saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work *The Teaching of Apocrypha and Apocalypse* Charles Arthur Hawley, 1925 *The Delights of Wisdom Concerning Conjugal Love: After which Follow the Pleasures of Insanity Concerning Scortatory Love.
