Love And Death In Renaissance Italy:

Love and Death in Renaissance Italy Thomas V. Cohen, 2010-01-15 Gratuitous sex Graphic violence Lies revenge and murder Before there was digital cable or reality television there was Renaissance Italy and the courts in which Italian magistrates meted out justice to the vicious and the villainous the scabrous and the scandalous Love and Death in Renaissance Italy retells six piquant episodes from the Italian court just after 1550 as the Renaissance gave way to an era of Catholic reformation Each of the chapters in this history chronicles a domestic drama around which the lives of ordinary Romans are suddenly and violently altered You might read the gruesome murder that opens the book when an Italian noble takes revenge on his wife and her bastard lover as he catches them in delicto flagrante as straight from the pages of Boccaccio But this tale like the other stories Cohen recalls here is true and its recounting in this scintillating work is based on assiduous research in court proceedings kept in the state archives in Rome Love and Death in Renaissance Italy contains stories of a forbidden love for an orphan nun of brothers who cruelly exact a will from their dying teenage sister and of a malicious papal prosecutor who not only rapes a band of sisters but turns their shambling father into a pimp Cohen retells each cruel episode with a blend of sly wit and warm sympathy and then wraps his tales in ruminations on their lessons both for the history of their own time and for historians writing today What results is a book at once poignant and painfully human as well as deliciously entertaining

Ut pictura amor Walter Melion, Michael Zell, Joanna Woodall, 2017-11-06 Ut pictura amor The Reflexive Imagery of Love in Artistic Theory and Practice 1500-1700 examines the related themes of lovemaking and image making in the visual arts of Europe China Japan and Persia The term reflexive is here used to refer to images that invite reflection not only on their form function and meaning but also on their genesis and mode of production Early modern artists often fashioned reflexive images and effigies of this kind that appraise love by exploring the lineaments of the pictorial or sculptural image and complementarily appraise the pictorial or sculptural image by exploring the nature of love Hence the book's epigraph ut pictura amor as is a picture so is love **Love and its Critics** Michael Bryson, Arpi Movsesian, 2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton's Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur's phrase to claim that passionate love poetry is not what

it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history *Life, Love and Death in Latin Poetry* Stavros Frangoulidis, Stephen J. Harrison, 2018-03-19 Inspired by Theodore Papanghelis Propertius A Hellenistic Poet on Love and Death 1987 this collective volume brings together seventeen contributions written by an international team of experts exploring the different ways in which Latin authors and some of their modern readers created narratives of life love and death Taken together the papers offer stimulating readings of Latin texts over many centuries examined in a variety of genres and from various perspectives poetics and authorial self fashioning intertextuality fiction and reality gender and queer studies narratological readings temporality and aesthetics genre and meta genre structures of the narrative and transgression of boundaries on the ideological and the formalistic level reception meta dramatic and feminist accounts the female voice Overall the articles offer rich insights into the handling and development of these narratives from Classical Greece through Rome up to modern English poetry *The Borgia Family* Jennifer Mara DeSilva, 2019-10-11 The Borgia Family Rumor and Representation explores the historical and cultural structures that underpin the early modern Borgia family their notoriety and persistence and reinvention in the popular imagination The book balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen It reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the Borgia Black Legend and its representations Focused on the deeds and posthumous reputations of Pope Alexander VI and his children Cesare and Lucrezia Borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions Extending beyond their deaths it also investigates how the Borgias became emblems of anti Catholic and anti Spanish criticism in the later early modern period and their residing reputation as the best and worst of the Renaissance Exploring a spectrum of traditional and modern media The Borgia Family contextualizes both Borgia deeds and their modern representations to analyze the family s continuing history and meaning in the twenty first century It will be of great interest to researchers and students working on interdisciplinary aspects of the Renaissance and early modern Italy **Love, Work, and Death** Ariel Toaff, 1996-06-01 Toaff is the acknowledged master of the social history of Umbrian Jewry David Malkiel Journal of Jewish Studies *Messiaen's Explorations of Love and Death* Siglind Bruhn, 2008 Olivier Messiaens lifelong quest

varied ways in which the protagonists representing a cross section of Portuguese society went about grappling with the complexities of a New Christian identity and tracks them through their interactions with Roman society and its institutions. Some chose to flaunt Jewish origins. They espoused a sense of being part of a distinctive group, the Portuguese New Christian *nao*, that set them apart from other Portuguese. Others chose to blend as much as possible into the broader Iberian world represented at Rome and avoided calling attention to their family past. All, however, had in their own way to work out the multiple shades of what was involved in being a Portuguese with Jewish roots, needing to navigate the social and cultural pathways through Rome, the urban center of the Catholic Church. The book draws on archival research conducted in the Vatican, elsewhere in Italy, in Spain, and in Portugal. It brings a variety of sources to bear on the complex phenomenon of emergent group identities. It also proposes a critical reflexion on diasporas, the formation of sub-national communities, and on the structuring of collective memory in Early Modern Europe. The work will be useful to scholars and general readers interested in the Portuguese New Christian diaspora in sixteenth-century Rome and in the dynamics of community consciousness in Early Modern Europe.

Le nouvel ouvrage de James William Nelson, *Novoa: Being the Nao in the Eternal City*, se penche sur la présence des Portugais d'origine juive à Rome après l'installation d'un tribunal de l'Inquisition au Portugal en 1531. Le livre présente dans un cadre analytique sept vignettes de personnages historiques. Il documente en particulier les façons dont ces agents qui représentaient une coupe de la société portugaise contemporaine choisirent d'affronter les exigences de leur nouvelle identité chrétienne tout en jouant des interactions avec la société romaine et ses institutions. Certains affichaient leur racine juive. Ils poussaient un sens d'appartenir à un groupe particulier, la *nao* des Chrétiens Nouveaux d'origine portugaise. D'autres choisirent de s'intégrer le plus étroitement possible au petit monde des expatriés ibériques de toutes sortes. Rome vitant d'afficher le passé. Tous durent affronter les multiples incertitudes nombreuses d'être Portugais d'origine juive navigant entre lescueils culturels et sociaux de Rome, le siège urbain de l'Église catholique. L'ouvrage est un fruit de recherches menées en Italie, au Vatican, en Espagne et au Portugal. Il invoque des sources diversifiées pour illuminer le phénomène complexe d'identités collectives émergentes. Il propose également des réflexions critiques au sujet de diasporas, de communautés sub-nationales en croissance et de la mémoire collective au sein de l'Europe moderne naissante. Le livre s'adresse surtout à tous, spécialistes ou non, qui s'intéressent à la diaspora des Nouveaux Chrétiens portugais à la ville de Rome au seizième siècle et à la dynamique formative communautaire au début de la période moderne.
