Moody, 2000-01-19 *Love Fear and Other Things That Cry Out In The Night* Moments Alone With Agoraphobia was written by Marilyn R Moody approximately 20 years ago At that time in her life she was diagnosed with this illness It was a difficult way to live Because she had young children she managed to keep working feeling responsible for their financial needs even though she was married to a very supportive man Writing was one of the ways she coped with the fears brought on by agoraphobia Ms Moody saved the writing from that time Over the years as she has grown healthier and stronger she would often take out the book that originally was written for her eyes only to read again her thoughts from that time in her life She would then realize how far she had progressed Now she has included those writings into one book to share with others who might also be experiencing the devastating effects from agoraphobia She would like them to know that they are not alone *Only Love Is Real* Tom Larontonda, 2013-06-14 As long as worldly love continues to be considered our means of salvation we will forever experience war greed hunger disease homelessness and every other form of pain and suffering that the dream can create This book is not about vastly improving worldly love into something newer better and bigger That strategy has gone on for centuries yet world peace has never been achieved This book is one soul's humble yet dedicated attempt to truly connect with those who will listen and inspire them to stop and hear the magnificence of their heart and to put aside the ego's insane influence and ask one simple question What has my strong allegiance to the illusions of this world truly created in my life
