**Kiss Me Lady One More Time** Deb Marlowe,2020-09-28 Mr Barrett Sterne has one thing on his mind He must find Lord Tensford s fossil specimen the one that was stolen right out from under his nose and his cracked skull It is a matter of honor It is vital to preserving the regard of his close knit circle of friends Why then must he keep pushing away thoughts of Miss Munroe the girl who distracted him from his duty that fateful night Miss Penelope Munroe has many things on her mind her scientific interests the help she s providing her village friends and the fact that her parents are pushing her toward marriage Her father wants her to marry a peer her mother keeps thrusting her at her scientist friends but she cannot help but wonder if that spark between her and Mr Sterne was real She has a chance to find out when she becomes embroiled in the search for the missing fossil Sparks are indeed flying and passions swirl but Sterne s demons have their claws buried

deep in his heart He is continually drawn to her but feels honor bound to stay away Penelope's love and determination are fierce but can she free him enough to trust in the permanence of love      *Sweet Texas Kiss* Monica Tillery, 2020-02-11 Small town Big secrets Welcome to Sweet Ridge Texas When the Cooper brothers hear what their father left them in his will they're surprised to find that the things closest to their hearts were given to three random women Gavin Cooper had his heart set on owning the house the family had grown up in and when his old high school rival inherits it he's devastated But she can't sell the house for one year and that's plenty of time for him to find a way to get it back When Macy Young said goodbye to Sweet Ridge and left to pursue fame and fortune she never thought she'd return After losing her best friend Macy went on a downward spiral of pain and shame Living in the inherited house where she'd spent many happy hours might just soothe her weary soul Macy and Gavin will have to find a way to forgive themselves and each other if they're ever going to be happy Can this country star and veterinarian forget their pasts and start a life together      *Littell's Living Age*, 1903      *That Kiss From Heaven Fell On My Heart* C. Nicole Treadwell, 2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it's true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self-ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter-sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do

you really believe And more can redemption ever come too late      **My First True Love** Nina Lee Colwill,2024-05-17 Do you remember your first true love Are you still with that person today And if not do you still cherish those memories and marvel at the lessons you learned about romantic love But maybe your first love wasn't a romance Maybe your first love was a beloved family member a cuddly pet or a precious toy Love romantic familial or friendly connects us all and in My First True Love seventy eight people from five countries and a wide array of backgrounds share stories of their first true love Some of these stories may bring tears to your eyes others may make you laugh out loud and some may remind you of your younger self From a rural church camp to a big city skating rink from modern day loves to near century old loves these stories are testaments to the lasting power of one's first true love      *Zodiac Rising - The Water Signs: Cancer - Scorpio - Pisces* Margaret Lake,2014-08-12 Cancey Cancer Cancey Cangrejo has a habit of jumping from job to job until she finally lands her dream job Flight attendant But on her first day she meets Marco the dashing Latin who works business class and has a reputation for acquiring lovely ladies Cancey falls hard but she knows she doesn't stand a chance with a man who dates gorgeous supermodels and high powered business women But her good buddy George Campion big brother to all women steps in to help Cancey attract Marco The trouble is after taking her for a makeover and spending the day with her George wants Cancey for himself Schuyler Scorpio Dr Schuyler Scorponi surgeon researcher recluse Schuyler has never had much to do with people in general and men in particular All she has is her work and she's convinced herself that's all she needs in her life But she's about to meet a different kind of man One who finds a way to break down her walls bit by bit It's the excellence of her work that brings Schuyler to the attention of Dr Cameron Jones new chief of surgery at Midlands General By the time he finishes offering Schuyler a job as his assistant her cold responses have him regretting his offer But then he mentions the new lab and Schuyler comes alive showing Cam a side of her he finds all too attractive Pixie Pisces Pixie is just about as big as her name implies but that doesn't stop her from doing whatever she wants to do Like being in tune with the universe finding lost rings talking to spirits although that was a special occasion Now she has to use all her psychic powers to save the grandson of that spirit from being killed Alan Maddin is a firefighter and a paramedic and he definitely does not believe that Pixie can tune into the universe He doesn't even know what that means But his mother insists on seeing Pixie because Sandy's dead mother came to warn her that Alan was going to die during a big fire Sandy wants Pixie to convince Alan that he's in very real danger But the only real danger as far as Alan can see is getting involved with the petite psychic who has developed a habit of fainting in his arms      **Fool the World** Josh Frank,Caryn Ganz,2006-03-21 It's the 1980s and the rock landscape is littered with massive hair synthesizers and monster riffs but there is an alternative being born in the sleepy East of America we just don't know it yet Before the Internet MTV and iPods provided far off music fans with information and communities and before Nirvana kids across the world grew up in relative isolation dependent on mix tapes and self created art to slowly spread scenes and trends It was under these conditions that four young musicians found one another in Boston

Massachusetts and started a band called Pixies During their initial seven year career Pixies would play some of Europe s most gigantic festivals keep the press guessing and cultivate a fervid international fan base hungry for more and more of their unique surf punk The band worked fast cranking out four albums at a breakneck pace but ultimately pressures and personality clashes took their toll Pixies broke up just as bands were singing their praises as the rock n roll innovators For twelve years a Pixies reunion seemed impossible but a sudden announcement in 2004 proclaimed the unthinkable Pixies were getting back together Their extremely successful reunion tour finally gave the group something they d always lacked in their homeland proof that their bone rattling music had left an indelible impact Fool the World tells Pixies story in the words of those who lived it from the band members to studio owners from A R executives producers and visual artists who worked with them to admirers of their music such as Bono PJ Harvey Beck and Perry Farrell With new cartoons by Trompe Le Monde illustrator Steven Appleby Fool the World is a complete journey through the life death and rebirth of one of the most influential bands of all time
