Gergen, K.E. Davis, 2012-12-06 This volume grew out of a discussion between the editors at

the Society for Experimental Social Psychology meeting in Nashville in 1981 For many years the Society has played a leading role in encouraging rigorous and sophisticated research Yet our discussion that day was occupied with what seemed a major problem with this finely honed tradition namely it was preoccupied with accurate renderings of reality while generally insensitive to the process by which such renderings are achieved This tradition presumed that there were brute facts to be discovered about human interaction with little consideration of the social processes through which factuality is established To what degree are accounts of persons constrained by the social process of rendering as opposed to the features of those under scrutiny This concern with the social process by which persons are constructed was hardly ours alone In fact within recent years such concerns have been voiced with steadily increasing clarity across a variety of disciplines Ethno methodologists were among the first in the social sciences to puncture the taken for granted realities of life Many sociologists of science have also turned their attention to the way social organizations of scientists create the facts necessary to sustain these organizations Historians of science have entered a similar enterprise in elucidating the social economic and ideological conditions enabling certain formulations to flourish in the sciences while others are suppressed Many social anthropologists have also been intrigued by cross cultural variations in the concept of the human being Store of the Worlds Robert Sheckley,2012-05-01 An NYRB Classics Original Robert Sheckley was an eccentric master of the American short story and his tales whether set in dystopic city scapes ultramodern advertising agencies or aboard spaceships lighting out for hostile planets are among the most startlingly original of the twentieth century Today as the new worlds alternate universes and synthetic pleasures Sheckley foretold become our reality his vision begins to look less absurdist and more prophetic This retrospective selection chosen by Jonathan Lethem and Alex Abramovich brings together the best of Sheckley s deadpan farces proving once again that he belongs beside such mordant critics of contemporary mores as Bruce Jay Friedman Terry Southern and Thomas Pynchon To the Nines Janet Evanovich,2008-05-14 The 1 New York Times Bestselling Author A Stephanie Plum Novel Janet Evanovich s novels are the hottest bestsellers in America 1 New York Times 1 Wall Street Journal 1 Los Angeles Times 1 Entertainment Weekly 1 Publishers Weekly Stephanie Plum s got rent to pay people shooting at her and psychos wanting her dead every day of the week much to the dismay of her mother her family the men in her life the guy who slices meat at the deli oh the list goes on An ordinary person would cave under the pressure But hey she s from Jersey Stephanie Plum may not be the best bounty hunter in beautiful downtown Trenton but she s pretty darn good at turning bad situations her way and she always gets her man In To the Nines her cousin Vinnie who s also her boss has posted bail on Samuel Singh an illegal immigrant When the elusive Mr Singh goes missing Stephanie is on the case But what she uncovers is far more sinister than anyone imagines and leads to a group of killers who give new meaning to the word hunter In a race against time that takes her from the Jersey Turnpike to the Vegas Strip Stephanie Plum is on the chase of her life The unforgettable characters nonstop action high stakes suspense and sheer entertainment of To the Nines define
