instances of moral dilemma disputes and conflicts as found in epics to delineate the discourse of Dharma ethics When philosophy is viewed through the lens of the debate between a *stra* and its *prayoga* or application the *ilpa stras* or art treatises are best seen as a cross between an art manual meant for practice and a text that maintains quality control Thus this book is a must read text for anyone who wants to know the relevance of Indian philosophy in the solution of modern philosophical issues generally believed to belong to the Western philosophy *In Defense of Dharma* Tessa J.
