Tarot and Spiritual Baths Alina A. Rubi and Angeline A. Rubi, 2024-04-18 The Tarot is an oracle a means by which in some way and through its drawings and colors we stimulate our psychic sphere the deepest part that goes beyond the rational When we move the cards a secret and powerful mechanism is set in motion to open doors and means that connect us with the Universe The Tarot is full of secrets wonderful and powerful symbolisms that go beyond a great pictorial work Magic clairvoyance or however you want to define it in yourself will be awakened little by little as you practice and enter the intimate world of each card Spiritual baths cleanse the aura and are often meant to protect you spiritually Some events hurt us physically and emotionally and these baths can help you free yourself from those vibrations by renewing and revitalizing you
