Dawson Jr., 2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God's immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith Clouds William Lynch, 1999 **Love's Paradise** Celeste O. Norfleet, 2011-10-18 For historian Sheri Summers Crescent Island is an unspoiled treasure and she hopes to keep it that way If it means shutting down a new beachfront project that could destroy the historic site so be it Sheri can deal with developer Jordan Hamilton's anger But what she doesn't count on is their combustible chemistry P 4 of cover
