Chinmoy Kusumita P. Pedersen,2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings **Polydoxy**

Catherine Keller,Laurel Schneider,2010-10-04 Religious pluralism the collapse of traditional religious institutions and the growing impact of religious studies on believers have prompted widespread rethinking of what religion is Polydoxy offers a

brilliant and original theological response to this intellectual crisis by suggesting that there are multiple forms of right belief. Reacting against reductive or nostalgic theological tendencies, the chapters in this book by an impressive array of scholars take an exciting and creative approach to theology in the twenty-first century. Love Is Craig R Durrant, 2019-11-17. What is love? Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts. He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy, but that isn't love. Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love. Believing that his only source of love was from others, he had given away his dreams and his power, which left him feeling broken and needy. Love is a heart and soul learning how to love and dream again with increased openness and greater depth. Love is many things, but it is never needy or broken. In his journey to love again, the answers came. It exposes our inner song as a gift to those we love and to the world. This is a gift to the world. It is Craig's inner song of loving again with the transparency and nakedness of love. It is remembering and learning that love is. Read on and see if it speaks to your soul like it has for so many others. Love is. *Love Letters From God* Marion Sinclair-Simpson, 2012-04-30. Got GOD? Ever wondered Why am I here and Is there proof that GOD exists? Love Letters from GOD provides hope, encouragement, and answers. You have a GOD-ordained purpose that only you can fulfill. Learn how to listen when GOD is speaking. We live in difficult times, but GOD is not surprised by what is happening around us. He has a plan for His chosen ones. If you are reading this, you are chosen. GOD is reaching out to you. Today is your day to say Yes to GOD and to open your life, your heart, and your spirit to receive abundance. *Love and Friendship Across Cultures* Soraj Hongladarom, Jeremiah Joven Joaquin, 2021-01-10. This collection brings together different philosophical points of view, discussing two important aspects of human life: namely, love and friendship within the broad context of comparative philosophy. These points of view differ in terms of their cultural orientations: East or West, ancient or modern, philosophical methodologies: analytical, historical, experimental, or phenomenological, broadly construed and motivation explanatory, revisionary, or argumentative. The volume is a comparative treatment of how diverse philosophical cultures view love and friendship, such as how Aristotle and Confucius view friendship, are similar and different, how the ancient Greeks and the Buddhists view friendship and happiness, and how posthumous love is possible. With contributions from a diverse set of scholars, this book presents the emerging views of Southeast Asian philosophers compared with those of philosophers from other regions, including Europe and North America. The volume thus provides a multi-faceted way of understanding love and friendship across cultures and will be relevant to scholars interested in philosophy, the history of ideas, Asian Studies, and religious studies. Subordinated Ethics Caitlin Smith Gilson, 2020-08-21. With Dostoyevsky's Idiot and Aquinas' Dumb Ox as guides, this book seeks to recover the elemental mystery of the natural law, a law revealed only in wonder. If ethics is to guide us along the way, it must recover its subordination; description must precede prescription. If ethics is to invite us along the

way it cannot lead either as politburo or even as public orthodoxy It cannot be smugly symbolic but must be by way of signage of directionality of the open realization that ethical meaning is en route pointing the way because it is within the way as only sign not symbol can point to the sacramental terminus The courtesies of dogma and tradition are the road signs and guideposts along the longior via not themselves the termini We seek the dialogic heart of the natural law through two seemingly contradictory voices and approaches St Thomas Aquinas and his famous five ways and Fyodor Dostoyevsky s holy idiot Prince Myshkin It is precisely the apparent miscellany of these selected voices that provide us with a connatural invitation into the natural law as subordinated as descriptive guide not as prescriptive leader *She, in Light* Puja
