Love Me With Fury:

Love Me with Fury Janelle Taylor, 1988-11-01 When golden haired Alexandria first saw the dark haired stranger her fury knew no bounds How dare he intrude on her privacy as she swam in her secret pool Though his caresses were tantalizing and his kisses intoxicating Alexandria fought the sweet torment and struggled against her captor until she could no longer resist the waves of delicious sensuality that left her longing for more She had sworn to let no man have her but against her will she gave herself to this ruthless pirate a captive to his burning gaze and searing touch *The Guardian* Elicia Hyder, 2019-11-22 The mission was supposed to be simple Get in Save the girl Get the hell out But Warren Parish knows nothing is simple with demons involved and storming the gates of Hell will be no exception An innocent woman is trapped in Nulterra but this journey is so much more than a rescue mission Along with his new enchanted sword capable of killing angels it seems the demons have forged another powerful object A magical stone that can grant him what he wants most in all three realms a life on Earth with his daughter **Fight** Kelly Wyre, 2019-10-05 To Nathan Hunt honesty is anything but the best policy Telling the truth has earned him nothing but heartache and pain so lying about who he is and what he wants seems to be the only path to job security and friends Hell it even brings him a hollow kind of happiness Except that s not much of a life for anyone Desperate to cure his self made misery Nathan agrees to go along with a con that will score enough cash for Nathan to start over There s just one problem lying is getting harder by the day And a con who can t lie is a con who gets caught Nathan s attempts to distract himself from his moral quandary lead him to a mysterious intoxicating man named Fury a mixed martial arts fighter who knows a thing or two about lies and pasts better left dead and buried Together they undertake a journey that proves honesty is more dangerous and more difficult than either of them could have imagined And as they combat addiction thugs guns and inner demons Nathan and Fury can only hope that their battle to be together is worth the bitter fight **The Beatles in Canada: The Origins of Beatlemania!** Piers Hemmingsen, 2016-04-11 By the spring of 1964 Toronto had the largest and most organized Beatles fan base in North America The Beatles in Canada The Origins of Beatlemania finally tells the true story of how The Beatles music and popularity began in Canada a full year before they landed in the U S A Piers Hemmingsen provides a concise look at how radio stations newspapers and television networks in Canada covered the phenomenon that was Beatlemania and this digital edition is packed with full colour images of the band their travels those they inspired and an immense hoard of memorabilia gathered along the way After all these years I still cannot comprehend where Piers gets his energy supply from He has written four previous books about The Beatles and discovered an appreciative readership for all of them However to me this book the one you are holding is his breakthrough Where it could have been an easy exercise with new information about the Fab Four Piers has taken one large step forward He is also able to incorporate the beginnings of the Canadian music industry Through mainly focusing on one record company he has been able to capture the excitement of a young industry finding its way competing with the giants in the United States Paul White

Song of Songs has been more a focus of literary than of religious interest but Norris's work shows that for early Christians this text was counted with the Psalms and the Gospels among those Scriptures that touched most deeply on the believer's relation to God. All in all, Norris's Song of Songs is a masterful work that aptly acquaints contemporary readers with the church's traditional way of discerning in this text a guide to the character of Christian belief and life. This volume and the entire Church's Bible series will be welcomed by preachers, teachers, students, and general readers alike.
