Love on Trial Diana Palmer, 1979

The Trial of a Christian's Sincere Love to Christ William Pinke, 2012-11-14 This work was Pinke's most popular and well received treatise on the sincere love of the true Christ to Jesus Christ He works from three texts If any man love not the Lord Jesus Christ let him be anathema maranatha 1 Corinthians 16:22 Grace be with all them that love our Lord Jesus Christ in sincerity Ephesians 6:24 And If any man come to me and hate not his father and mother and wife and children and brethren and sisters yes and his own life also he cannot be my disciple Luke 14:26 He covers loving the Lord Jesus Christ at his coming what a true Christian is having a sincere love to Christ and our highest love to Christ This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

The Trial of True Love William Nicholson, 2011-01-28 Fast paced beautifully crafted and intellectually stimulating The Trial of True Love is a captivating exploration of the nature of love its elusiveness and most of all the universal human need to find it Bron is a thirty year old writer living in London a seemingly incurable heartbreaker and dodger of commitment He is fascinated by the symbolist artist Paul Marotte and has made the artist the center of a book he is writing about love at first sight On a visit to a friend's country house Bron encounters the beautiful enigmatic Flora and suddenly the theme of his book takes on a completely new intensely personal dimension His pursuit of Flora takes him to Amsterdam where a mysterious art collector offers to help him find the object of his desire and the search for true love takes surprising twists With the touch of a master William Nicholson weaves thought provoking reflections on art literature and human nature in a suspense filled love story a novel that touches both the heart and the mind

ADHD on Trial Michael Gordon, 2009-03-05 In 2006 Philadelphia graduate student Jonathan Love sued the organization that publishes the Law School Admissions Test Love had attained average scores on the test but claimed he should have been given extra time because he qualified as a person with a disability and allowances provided by the Americans with Disabilities Act due to Attention Deficit Hyperactivity Disorder The case which drew in author psychologist Michael Gordon as an expert witness for the defense reached federal court and resulted in a precedent setting ruling still as controversial as the disorder that

triggered the trial In this work Gordon takes us into the courtroom and behind the scenes with attorneys and experts to look not only at this trial but more than a dozen others that have involved ADHD or other psychiatric diagnoses and the questions they raise including what the real meaning of disability is how malingering can be an issue with psychological disorders and what the more far reaching effects for the public can be if accommodations are provided to people who do not have a legally defined disability When does deference to an individual with a disorder like ADHD begin to invade the rights of the non disabled Controversy fills these pages from discussion of ADHD and the debate over its justifiability as a disability to public reactions regarding the ruling in Love s case and others Comparisons and contrasts are also raised between the Love trial and earlier cases involving people claiming psychological disabilities who fought actions by The National Board of Medical Examiners United Airlines Toyota Motor Manufacturing the Georgia State Board of Veterinary Medicine and other organizations Do the decisions help or harm disability rights and people with disabilities Gordon offers the insights not only of a psychologist but a seasoned legal insider who has testified as an expert witness at many of the trials
