Love Poems & Sonnets of William Shakespeare William Shakespeare, 2013-02-20 The greatest sonnets ever written by the greatest poet and playwright in the English language **Love Poems and Sonnets of William Shakespeare** Shakespeare's Sonnets, Retold William Shakespeare, James Anthony, 2025-07-10 James William Shakespeare,1990* Anthony has done something I would have confidently stated to be impossible He has translated Shakespeare's sonnets and he has done so with an insolent loveable charm A dazzling success Stephen Fry Rediscover the greatest love poetry ever written Shall I compare you to a summer s day You re more delightful always shining strong High winds blow hard on flowering buds in May And summer never seems to last that long Shakespeare's sonnets are some of the nation's favourite lines of verse but the Elizabethan language can make it difficult to really understand them Many guides offer to clarify the meaning but lose the magic of the words by explaining them away James Anthony has done something boldly different He has rewritten the whole series of poems as sonnets using modern language while retaining the rhythm and rhyme patterns that gives them such power In doing so he breathes new life into the original poems and opens them up for a modern readership demystifying Shakespeare's eternal poetry with provocative new translations and delightful new lines Presented as an attractive book with the original sonnets facing their new translations this is a stunning collection of beautiful love poems The Sonnets and Other Love Poems William Shakespeare, 2003-08 Shakespeare's Sonnets, Retold made new William Shakespeare, James Anthony, 2018-11-13 An enlightening and entertaining collection of the most esteemed love poems in the English canon retold in contemporary language everyone can understand James Anthony has long enjoyed poetry with a strict adherence to beat rhythm and rhyming patterns which he likens to the very best pop songs This drew him to the rewarding 14 line structure of Shakespeare's sonnets yet he often found their abstract language frustratingly unintelligible One day out of curiosity he rewrote Sonnet 18 Shall I compare thee to a summer s day line by line in the strict five beat iambic pentameter and rhyming patterns of the original but in a contemporary language a modern reader could easily understand The meaning and sentiment difficult to spot initially came to life revealing new intricacies in the workings of Shakespeare's heart And so James embarked on a full time year long project to rewrite all 154 of the Bard's eternal verses creating SHAKESPEARE S SONNETS RETOLD This collection of masterful reinterpretations brilliantly demystifies and breathes new life into Shakespeare's work demonstrating the continued resonance of a playwright whose popularity remains over 400 years after his death Now the passion heartbreak deception reconciliation and mortality of Shakespeare's originals can be understood by all without the need to cross reference to an enjoyment sapping study guide Coming with a foreword by Stephen Fry this is a stunning collection of beautiful love poems made new Thy Sweet Love Remembered William Shakespeare, 1968 Sonnets William Shakespeare, 2014-12-16 Among the most enduring poetry of all time William Shakespeare s 154 sonnets address such eternal themes as love beauty honesty and the passage of time Written primarily in

The Love Poems of Shakespeare William Shakespeare, 1963 The Poems & Sonnets of William Shakespeare William Shakespeare, 1994 The sonnets in this collection divide into two parts the first 126 are addressed to a fair youth for whom the poet has an obsessive love and the second chronicles his love for the notorious Dark Lady In addition to the sonnets this volume includes two lengthy poems on classical themes The Complete Sonnets and Poems William Shakespeare, 2002 Shakespeare's Sonnets are among the most complex and beautiful poems ever written Their exploration of love praise homo and hetero sexual desire is enacted in the richest densest writing in English And the first printed work to which Shakespeare s name was attached was the erotic narrative poem Venus and Adonis which developed a sumptuous vocabulary in which to explore love praise of the beloved sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare s poems and their foundational place within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare s poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare's thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and

dating of Shakespeare s poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in The Passionate Pilgrim in 1599 Shakespeare's Sonnets William Shakespeare,1904 Shakespeare on Love William Shakespeare,1991-01-15 William Shakespeare is considered the greatest playwright and poet in history not merely for his extraordinary gift for language but more because he was also the world's greatest psychologist with an uncanny ability to see and describe people's most subtle emotional states as renowned author psychologist and Shakespearean scholar George Weinberg says in his introduction to this volume Nowhere are the Bard's insights more apparent than in his writings on that most sublime of human endeavors love No human being has ever captured the beauty intensity sadness power and magic of love so perfectly All the wondrous guises of love are presented here from courtship to parting from passion to jealousy from unrequited love to the kiss Throughout the special genius of William Shakespeare shines through
