Love The Kama Sutra Erotic Technique:

Love Vātsyāyana,2001 *Love Vātsyāyana*,2001 *The Book of Love* James McConnachie,2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived **Just Love** Margaret Farley,2008-02-15 This long awaited book by one of American Christianity's foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving including love that is related to sexual activity and relationships It begins with historical and cross cultural explorations then addresses the large questions of embodiment gender and sexuality and finally delineates the justice framework for sexual ethics Though Just Love's particular focus is Christian sexual ethics Farley's framework is broad enough to have relevance for multiple traditions Also covered are specific issues in sexual ethics including same sex relationships marriage and family divorce and second marriage celibacy and sex and its negativities [Romantic Guide to Handfasting](#) Anna Franklin,2016-06-08 Sacred and solemn handfasting is a marriage rite practiced by Pagans Druids Witches and Shamans for centuries Anna Franklin explores the fascinating origins of this beautiful ritual and provides practical advice and ideas for planning your own handfasting celebration *Kama Sense Marketing* Jacob Levy,2010-05 According to the ancient Kama Sutra Love is where physical emotional and spiritual experiences meet for the purpose of strengthening relationships Isn't this what modern marketing is all about Love is in fact the very peak of emotional marketing Putting this philosophy into practice is not only a revolutionary concept but it's also a guaranteed platform of success In this groundbreaking marketing guide veteran marketing guru Jacob Levy borrows analogies from philosophies and practices of romantic love as described in the Kama Sutra the oldest and best source on the theory and practice of love written some 1500 years ago to help you delve into the world of emotional marketing In crisp concise language Levy discusses the following topics

medieval text the H sy r ava Prahasana of Jagad vara Bha ch rya As a political satire the volume finds significant resonances among contemporary questions of politics and society across the world and examines the tension inherent in the clash of ideas such as freedom and order In an unabashed celebration of disorder as the only way to fight violence tyranny and autocratic impulses H sy r ava suggests no return to a Golden Age or to the rule of an iconic king nor is there a promise of a saviour a political farce that ends without any denouement in sight One of the first authentic English translations of a neglected Sanskrit text from medieval India this translation throws up interesting questions regarding values such as freedom violence order chaos and disorder This volume will be a major intervention in the discovery of a significant non canonical text of classical literature and will be indispensable for students scholars and researchers of politics philosophy sociology Indian literatures Indology comparative literature and culture studies Anthropological Studies on the Strange Sexual Practices of All Races and All Ages Iwan Bloch,2001-06 The celebrated compendium of sexual oddities a no holds barred treatment of sexual practices throughout the world and throughout time The work makes excellent reading though it may be criticized for lacking any substantial synthesis of its components and for being unsympathetic to homosexuals and masturbators Iwan Bloch 1872 1922 the father of sexual science took his medical degree from Wuurzburg in 1896 and soon published his Ursprung der Syphilis 1901 which made him the foremost exponent of the so called Morbus Americanus theory that syphilis originated in America His Beitrage zur Aetiologie der Psychopathia Sexualis was an important follow up of Krafft Ebing and several other works brought him recognition as a pioneer sexologist Book jacket Crossroads and Cultures, Volume B: 500-1750 Bonnie G. Heart of Violence Paul Valent,2020-08-07 Violence is the plague of our civilization Its many tentacles domestic violence criminal violence sexual abuse terrorism state violence revolution war and genocide tentacles threaten us The new discipline of traumatology amply describes the consequences of violence But there is as yet no corresponding discipline of violentology to explain why violence occurs in the first place Inexorably Paul Valent was drawn professionally to take the leap from healing the minds of victims to trying to understand the minds of perpetrators Valent unpicks the minds of perpetrators in each field of violence He develops a lens for illuminating violence whether individual or international primitive or spiritual We come to understand how aggressions that helped our species to survive now threaten it with extinction Valent explains his thesis by recounting many stories One story interwoven throughout is his own A child who survived the Holocaust he examines the minds of his perpetrators in his quest to prevent future violence Violence for Valent is not an isolated feature of the human condition Surprisingly close to violence are struggles for love Readers also learn about that aspect of humanity

of the World's Peoples incorporates the best current cultural history into a fresh and original narrative that connects global patterns of development with life on the ground. As the title *Crossroads* suggests, this new synthesis highlights the places and times where people exchanged goods and commodities, shared innovations and ideas, waged war and spread disease, and in doing so joined their lives to the broad sweep of global history. Students benefit from a strong pedagogical design: abundant maps and images and special features that heighten the narrative's attention to the lives and voices of the world's peoples.

From the former editor of *Penthouse* Forum comes a detailed and deep exploration of the sexual revolution and its issues, including controversy over freedom of expression and the rights of gays and lesbians. In this extensive history of three decades of sexual culture, John Heidenry details the rise of the science of sexology, the burgeoning of pornographic works that fanned controversies over freedom of expression, and the lobbying of homosexuals. With discussion of Bob Guccione, Hugh Hefner, Larry Flynt, and other prominent figures, Heidenry gives readers a peek at the rise and fall of the sexual revolution and its effect on society as a whole.

[Zafarnama](#) Guru Gobind Singh, 2015-09-15. When all has been tried yet justice is not in sight, it is then right to pick up the sword. It is then right to fight. Written in exquisite Persian verse, the *Zafarnama* was a defiant message composed by Guru Gobind Singh, the tenth Sikh Guru, and addressed to the Mughal emperor Aurangzeb following a series of fierce battles between the imperial forces and Sikh warriors. With wisdom and honesty, the Guru indicts the emperor for the moral and spiritual bankruptcy of his empire. These 111 stirring stanzas, which form the core of the Guru's spiritual philosophy, highlight his deep understanding of the true nature of God and Creation. In this evocative translation, Navtej Sarna brings to life the valiant voice of Guru Gobind Singh and the power of his poetic genius in a passionate disavowal of tyranny that remains ever relevant.
