**Love the One You're With** James Earl Hardy, 2003-06-03 Do men and monogamy mix It's not a question Mitchell Little Bit Crawford gave much thought to until his beaufriend of almost two years Raheim Pooquie Rivers an All American jeans model heads to Hollywood to make his first feature film As Mitchell soon discovers the temptation to cheat is very real and it seems to be everywhere An ex even pops up hoping to pick up where they left and got off While intrigued Mitchell chalks all the attention up to the married man syndrome one is much more desirable when he's attached to someone else But as he continues to run into bisexual musician Montgomery Montee Simms the look but don't touch rule is put to the test As he and Montee get closer Mitchell's idealistic beliefs about commitment are challenged Will he love the one he's with because he can't be with the one he loves

**The Columbia Guide to Contemporary African American Fiction** Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U.S. dependence on Arab oil characterized an increasingly bleak economic situation As Edward D. Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U.S. mission was replaced by a more skeptical attitude about government's ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade's major political events and movements including the rise and fall of détente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie's Angels offered Americans both a reflection of and an escape from the problems gripping the country

**Fashioning Lives** Eric Darnell Pritchard, 2016-11-01 Honorable Mention 2018 Winifred Bryan Horner Outstanding Book Award Winner Lavender Rhetorics Award for Excellence in Queer Scholarship from CCCC 2018 Winner Advancement of Knowledge Award from CCCC 2018 Winner Outstanding Book Award from the Conference on Community Writing 2017 Fashioning Lives Black Queers and the Politics of Literacy analyzes the life stories of sixty Black lesbian gay

bisexual transgender and queer LGBTQ people along with archival documents literature and film Author Eric Darnell Pritchard provides a theoretical framework for studying the literacy work of Black LGBTQ people who do not fit into the traditional categories imposed on their language practices and identities Examining the myriad ways literacy is used to inflict harm Pritchard discusses how these harmful events prompt Black LGBTQ people to ensure their own survival by repurposing literacy through literacy performances fueled by accountability to self and communal love towards social and political change a process the author calls restorative literacies Pritchard highlights restorative literacies in literacy institutions e g libraries schools historical records repositories religious and spiritual spaces parties community events activist organizations and digital spheres This trailblazing study draws connections between race and queerness in literacy composition and rhetoric and provides the basis for a sustainable dialogue on their intersections in the discipline
