Love Thy Neighbor Debbie Macomber, 2025-04-28 From 1 New York Times bestselling author Debbie Macomber comes a classic story of love found where it's least expected right next door For weeks Lesley Brown had been counting down the days curious and excited about the arrival of her new neighbor With their duplex being the only house for miles she couldn't help but hope the new tenant would be a friend But when she met Cole Daniels hope turned into something far more complicated Cole was everything she didn't expect sharp tongued standoffish infuriatingly cryptic And yet there was something about him that Lesley couldn't ignore Maybe it was the way he came to her rescue then frustratingly shut her out again Or maybe it was the secrets he so carefully guarded secrets that practically begged to be unraveled Was Cole running from something or simply keeping the world and Lesley at arm's length As their lives became increasingly tangled she began to wonder would the truth bring them closer or drive an unsurmountable wedge between them **Love thy neighbour as thyself; or, The story of Mike, the Irish boy** Catherine Douglas Bell, 1871 Love Thy Neighbour: How to Build a Christ-Centered Community Margaret Light, 2025-04-30 Love Thy Neighbour How to Build a Christ Centered Community offers a practical and biblical guide to creating a community rooted in Christ's love Drawing from Scripture and real life applications this book explores the essential principles of loving your neighbour fostering unity and serving others selflessly It delves into forgiveness hospitality generosity and evangelism highlighting the importance of a supportive inclusive environment that reflects Christ's heart Through intentional relationship building conflict resolution and sacrificial service this guide equips readers to cultivate a community that mirrors the love peace and unity Jesus calls us to embody in our daily lives *Love Thy Neighbour?* Natalie Nightingale, 2002 **The Vision of a Nation** G. Deconstructing Happiness Jordan McKenzie,2016-03-10 This book offers an original account of the good life in late modernity through a uniquely sociological lens It considers the various ways that social and cultural factors can encourage or impede genuine efforts to live a good life by deconstructing the concepts of happiness and contentment within cultural narratives of the good life While empirical studies have dominated the discourse on happiness in recent decades the emphasis on finding causal and correlational relationships has led to a field of research that arguably lacks a reliable theoretical foundation *Deconstructing Happiness* offers a step toward developing that foundation by offering characteristically sociological perspectives on the contemporary fascination with happiness and well being In doing so it seeks to understand the good life as a socially mediated experience rather than a purely personal or individually defined way of living The outcome is a book on happiness contentment and the good life that considers the influence of democracy capitalism and progress while also focusing on the more theoretical challenges of self knowledge reason and interaction
