

A serene sunset over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is a deep blue-grey, with white foam from the waves visible. In the foreground, dark, jagged rocks are partially submerged, with waves crashing against them. The overall mood is peaceful and contemplative.

For Love's Sake Jessica J. Davis,2010-12-01 For Love's Sake weaves the real life stories of two young women, Jessica J. Davis and Mary, the mother of Jesus, into a supernatural adventure. Both women took big leaps of faith to journey deeper into the heart of God. Jessica leaves middle class America the day after high school graduation to travel throughout Africa ministering to the poor. She discovers how the vibrant land and amazing people reveal the upside down nature of God's Kingdom. Mary was called to bridge Heaven and earth by bringing life to a new movement of God into the world around her. They both experience great joy and profound sorrow. For Love's Sake opens the camouflaged back door of missions, living in outrageous fellowship with God, onto roads packed with heavenly encounters, miracles, and the reality of suffering in war zones. With captivating transparency, For Love's Sake is a wide open stare into one woman's fascinating trek with the poor, a brutal attack and threat on her life, and her honest reflections of the good, the bad, and the ugly underside of a life laid down for love.

The Bounty Series - Boxed Set Dystopian Romance Third Cousins, Kacey Lu,2017-02-15 When the world government realized that the world was about to be damaged beyond repair, they had to take drastic action. A thousand years later, and the last of the population are living without technology and under the strict regulations set by The City of Hope Council. The problem is that nobody can fight back. Each person is required by law to have a chip inserted into them at birth. This chip can be deactivated at any time, and once that happens, your life is deactivated with it. There is a small fraction of people, though, who fight against The City of Hope. They are old worlders. They've managed to hide for generations and can't be tracked because they were never chipped. They're the reason that Sarah was forced to become a bounty hunter. They're the reason that the most important thing in her life was taken from her. When Sarah finds a huge camp of old worlders, she knows that she only needs one to finish paying off
