In Love Alfred Hayes,2013-07-23 This heart stoppingly good masterpiece about a crumbling love affair in 1950s New York perfectly captures the desperate desire for love and the recognition that it is slipping away Slate One of the greatest bleakest breakup stories ever told The New York Observer New York in the 1950s A man on a barstool is telling a story about a woman he met in a bar early married and soon divorced her child farmed out to her parents good looking if a little past her prime They d gone out they d grown close but as far as he was concerned it didn t add up to much He was a busy man Then one day out dancing she runs into a rich awkward lovelorn businessman He ll pay for her to be his pay her a lot And now the narrator discovers that he is as much in love with her as she is with him perhaps more though it will take him a while to realize just how utterly lost he is Executed with the cool smoky brilliance of a classic Miles Davis track In Love is an unequaled exploration of the tethered and untethered heart
