Nuggets Al Burrelli, 2014-11-26 In this aptly titled collection of short stories the author offers his personal observations on the human condition as well as the nuggets of precious wisdom the reader might extract from them The settings of these stories are varied and range from a cabin in the freezing northlands to a baronial palazzo In compelling scenes of betrayal despair murderous rage hallucination and violence the moral of these tales is implicit humanity has lost its way and Eden appears to be out of reach Redemption beckons however in the form of love and acceptance and without limitations of age While the emotional tenor of many of the stories is dark and forbidding it is counterbalanced by the sheer joy of the stories that celebrate young love belated love and the good will of rescuers and Samaritans Eden emerges triumphant in this collection through the author's belief that while humanity creates its own brand of evil it is also capable of engendering its own miracles Find out more by visiting the book's website www.nuggetsthebook.com

Bechdel and Maggie Nelson Hawkins pushes exploration of the self with the same intellectual rigor that she critiques the limits of epistolarity by continually relocating all the generative and arresting creative powers of this found art with scholarly rhetorical strategies Exquisitely designed by Jessica Jacobs These are Love d Letters presents an affective experience that reinforces Hawkins s meditations on the ephemeral beauty of love letters As poetic as it is visually enticing the book offers both an unconventional and queer ed understanding of the documentarian form which will excite both readers and artists across and beyond genres
