Steuart, 1999-01-07 The Spiritual Canticle is one of St John's greatest works Using the simple metaphor of the spouse and the bride he sketches a series of dialogues between God and the soul rihc in natural imagery The fragrant vineyards fruitful valleys and green hills flocks of sheep and clear streams all speak of the Object of mystical love The images of the basic Spiritual Canticle are so beautiful and its music so captivating that many who first heard it begged St John to write a commentary together with its profound reflections on the relations of the soul to God has become one of the world's richest sources of meditation. The commentary and the sublime poetry that inspired them form what is presented here as the complete Spiritual Canticle N.H., The Ladies Dictionary (1694) John Considine, Sylvia Brown, 2017-05-15 The ladies dictionary being a general entertainment for the

fair sex was published on 19 March 1694 by John Dunton No compiler was named on the title page but the dedication by the author addressed to the Ladies Gentlewomen and Others of the Fair Sex was signed N H The book offers around 1950 lexical and encyclopaedic entries the great majority excerpted either verbatim or with some degree of abridgement or adaptation from other published books It was the first substantial reference book to be published in England with women as its principal target audience and was arguably the first alphabetically arranged encyclopaedia to be published in English The editor s introduction in this edition starts with an overview of the publisher John Dunton and goes on to discuss the compilers of LD its sources its editing printing and proof reading and its advertising publication and afterlife It concludes with lists of primary and secondary sources including all the identified sources of LD The reproduction of the dictionary that follows is from the Robert H Taylor collection at Princeton Because LD is irregularly alphabetized the reproduction is followed by a new index of entries in strict alphabetical order with their sources identified The Dramatic Works of the Celebrated Mrs. Centlivre: Love's contrivance.
