*Love, War, and Adventure. Tales* Mrs. Helen HARKNESS,1846      *Poems About Love, War and Just for Fun* Jack DiNola,2011-12-01 Vietnam Gray lead and shiny yellow brass Pushing death From a stainless steel gun That's not made of flesh Its integral parts lubricated By oil and grease To withstand the heat and humidity But what is there to erase The red stain On white cloth that covers The pain On a moving part of anatomy Or the look on a human face      Farewell to the Muse: Love, War and the Women of Surrealism Whitney Chadwick,2017-11-14 A fascinating examination of the ambitions and friendships of a talented group of midcentury women artists Farewell to the Muse documents what it meant to be young ambitious and female in the context of an avant garde movement defined by celebrated men whose backgrounds were often quite different from those of their younger lovers and companions Focusing on the 1930s 1940s and 1950s Whitney

Chadwick charts five female friendships among the Surrealists to show how Surrealism female friendship and the experiences of war loss and trauma shaped individual women's transitions from someone else's muse to mature artists in their own right. Her vivid account includes the fascinating story of Claude Cahun and Suzanne Malherbe in occupied Jersey as well as the experiences of Lee Miller and Valentine Penrose at the front line. Chadwick draws on personal correspondence between women including the extraordinary letters between Leonora Carrington and Leonor Fini during the months following the arrest and imprisonment of Carrington's lover Max Ernst and the letter Frida Kahlo shared with her friend and lover Jacqueline Lamba years after it was written in the late 1930s. This history brings a new perspective to the political context of Surrealism as well as fresh insights on the vital importance of female friendship to its progress. **Reflections of**

*Love's War* M.R. Mace, 2022-10-05 Love's War By M. R. Mace Set in small town 1960's Georgia, two teens fall in love despite criticism from school faculty and town residents. Among the top of their class, they and their friends have all accepted each other as friends regardless of differences. Nathaniel Swanson, Dhalia, and their friends have grown up together, learning about each other. The two lovers suffer and grow through criticism, attacks, and emotional challenges along the way. Sticking

together as they move away when he joins the military proves to be the most difficult part of their lives The story is set in the racism of the South and the civil rights movement These two stay strong together with the Lord God in their lives and face the hatred of others including relatives Their love and the love of the Lord helps to change opinions of others as they refuse to give in to the pressures of others Mace hopes readers will face their own emotions welling up inside their hearts bringing out tears of joy and sorrow as they relate to the feelings and emotions of these teens The Boy Who Wanted Too Much

Greg L. Hines, 2009-02-02 The Boy Who Wanted Too Much is a collection of poems that form a story There is prose to support the poetry and frame the story but at its heart poetry is the key Subject matter touches upon the realms of myth religion fantasy the human condition and love Each poem speaks with the authors unique voice Book Review Author reaches into his soul to explore life love Hillside poet reaches out to readers in his first book When one dis deep enough into one s feelings dreams thoughts and experiences one can create a poetic effect And the poetic effect literally speaking for Greg L Hines of Hillside has emerged into a book called The Boy Who Wanted Too Much Hines has introduced an interesting compilation of poetry and prose examining his own apparent state of growing into He has constructed his deepest dreams of reality into a manuscript that is separated in three sections The House of Emasculation Fairy Dust and the final section which is titled The Pleasure Letters And in all three he reaches into his innermost soul to decipher and to understand all that is happening to him in life and love Some of the poems that Hines has included in the book are extremely well written and find their way into a persons s heart and soul Others however appear to have been written just for the moment and then cast aside Hines in a comment from the author in his opening pages explains that this is a novel written in a new writing form developing over a period of five years It is known as an abstracted reality He begins the book with a poem The Boy Who Wanted Too Much and an introduction that says it all He wrote of enemies lost dreams girls angels love fear hate lust God and peace ecstasy doom every emotion that through the growing years turns a boy into a man And as a man he struggles with all these confrontations Hines reaches out to his readers to have them delve into their own feelings from boyhood to manhood and to know just what it is really like to grow up and face the world of reality The Boy Who Wanted Too Much is well worth perusing Some of the poetry actually sounds as if Hines had lyrics in mind for songs to be written And this reviewer really would nt mind if it is placed on the shelf in a new category of poetry It will however need more of its kind upon which to lean Bea Smith editorial thelocalsource com Article About the Book Poet grew with his material for first book By Bea Smith Staff Writer The reason it took Greg L Hines of Hillside 10 years to write The Boy Who Wanted Too Much a book of emotional poetry was because he grew along with the material Actually Hines explained I started writing the book when I was younger in my early 20s I wanted to be as authentic as possible And as my perspective changed so did the character of the book I call it a novel of abstract reality It felt like a story although not one that read from A to B Hines who is a musician by profession mentioned that I ve been writing since I was 9 years old And with a book such as this for me a lot of it had to do with my life experiences

It was pretty much a way of getting my feelings out and coping with a lot of things I had going on then With The Boy Who Wanted Too Much you can come away with the exact same story Hines said he takes great pride in the fact that this is my first published work even though it is self published by my own publishing company Hardkandy Publishing here in Hillside He also publishes his own music through Hardkandy Records Inc I m self employed have my own record label and m

*Cobbett's Political Register* William Cobbett,1812      **Love, war, and adventure** Helen Harkness,1846      **War and Existence** Michael Gelven,2005-07-26 War is a multifaceted and complex phenomenon that cannot be understood merely by isolating its underlying principles The elements that compose the vast mosaic of our conceptions of war must be identified and examined in light of their philosophical origins Michael Gelven not only identifies what the fundamental principles are but he also extracts from the history of philosophy the arguments and analyses of the concepts that explain how we think about it War and Existence is primarily concerned with what war is or what the truth about war is rather than the moral question of whether war ever ought to be waged it only indirectly considers the military concerns of how war out to be carried out The elements or marks of war such as courage horror heroism sacrifice command and vastness are each examined by reference to a great philosophical figure whose critical analyses of these elements provide us with a deep understanding of them Gelven does not restrict his inquiry to mere formal concerns since the philosophical marks of war are concretized in judgments about actual wars His holistic approach includes not only actual historical events that surround our greatest military conflicts but also literary figures poets and composers whose works wrestle with the enormity of this splendid yet troubling phenomenon The two phenomena war and peace are viewed against the entire background of humanity with all its folly and sublimity War and Existence thus offers a thoughtful coherent response to one of the most problematic issues of humanity
