Haunted Florida Love Stories Christopher Balzano, 2020 Wide eyes sweaty palms and a racing heart Are these the tell tale marks of a love story or a haunted tale If the story is set in Florida there's a good chance it's both From the infamous Bellamy Bridge to a haunted lighthouse in Key West love is in the air but it isn't always a good thing Author and folklorist Christopher Balzano follows lingering campus whispers and trails that vanish into the swamp to track down the urban legends and ghostly lore of Sunshine State love affairs that live on even after death **Home Needlework Magazine**, 1908

Finck, 1899 **Literary News**, 1895 **New York Magazine**, 1990-03-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Greatest Stories Ever Told** Dr. Neil A. Mence, 2015-01-20 The Parting of the Red Sea Noah's Ark and the Flood David and Goliath Samson and Delilah the Tower of Babel they're stories we all know only too well But what lies behind them Should they be taken at face value or does each have an underlying message I believe they do but such messages are relevant only when we can apply them to our daily experiences Each day we have our own Red Sea to cross a personal challenge and each day we're called upon to knock down the Walls of Jericho overcome something It often feels that as we move further into the

mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Love Is a Story* Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out *The Love Rack* Cecil Roberts, 1925
