**Love's Blazing Ecstasy** Kathryn Kramer, 1985      **Nine Nights Awake** Bruce Rimell, 2023-01-25 A nameless young man finds himself wandering half naked through the frozen wintry Bristol night when he falls or is he pushed into the river and is washed out to sea Arriving lost and exhausted upon a strange island enmisted he comes to a fortress which holds a lithe enchanted but broken eternal youth in chains who tries to kill him It is only through sharing stories of his life that he is able to avert the youth s wrath at being disturbed easing his traumatised heart by offering him something no other visitor to this dark place has ever given him presence and care This unearthly mythical narrative becomes the poetic frame story by which Bruce the nameless wanderer unfolds his life story in fractured allegorical and dreamlike ways We move from migraines and his lived experience as a gay queer person with ADHD into visionary experiences that changed the course of his life the ecstasies of true love and expressions of his personal philosophies and spiritualities as well as a curious catalogue of artworks he has created over the years as an artist As this most unusual of autobiographies unfolds we move deeper into Bruce s queer neurodiverse homoerotic hyperactive inner world gliding from one theme to another in a genre baffling lilting symphony of images ultimately uncovering his one true mirror soul with all its fragilities strengths and wonders He must try to save his own life as well as the youth s so they can escape this otherworldly prison together At once melodious and magic joyous and tragic *Nine Nights Awake* is not for the faint of heart simultaneously riddlingly absurd sexually graphic and brutally honest its mythical wildness might well be the oddest and most eccentric memoir you are ever likely to read *Nine Nights Awake* is all at once a kind of thematically arranged autobiography of an idiosyncratic inner life with all its feelings colours dreams armchair philosophies and psychological agilities an epic poem grounded in fragments of Celtic and Germanic myth telling the story of a lost soul found an ad hoc set of narrative allegories from personal gay Queer neurodiverse contemporary and archetypal human life an extensive artist s talk enfolded into a dreaming fall and confinement an intimate and winding conversation with the soul a lengthy meditation upon the Medieval Welsh poem *Preiddeu Annwn* attributed to Taliesin which in turn liberates further personal musings on poetry itself and a radically parallel series of multiple threads sidenotes sidetracks circular narratives premonitions postmonitions and quirky references misquotes paraphrased song lyrics and other inspirations all rolled into one      [Poems](#) Rabindranath Tagore, 2007 Tagore S English Writings Originals And Translations Have Not Received The Attention That They Deserve The Purpose Of This Edition Is To Make The English Writings Of Tagore Available To The Widest Possible Range Of Readers Interested In The Writings Of Tagore All Over The World With Just The Bare Minimum Information Necessary For Appreciating The Writings And Leave The Critical Assessment To The Readers Themselves There May Be Two Possible Reasons For The Neglect Of Tagore S English Writings Firstly Tagore S Prolific Output Shakespearean Felicity And Protean Plasticity As A Bengali Poet Who Though Well Versed In English Chose To Write In The Medium Of His Mother Tongue For Nearly The First Fifty Years

Moved by Love Mary D. Sheriff,2008-10-30 In eighteenth century France the ability to lose oneself in a character or scene marked both great artists and ideal spectators Yet it was thought this same passionate enthusiasm if taken to unreasonable extremes could also lead to sexual deviance mental illness even death Women and artists were seen as especially susceptible to these negative consequences of creative enthusiasm and women artists doubly so Mary D Sheriff uses these very different visions of enthusiasm to explore the complex interrelationships among creativity sexuality the body and the mind in eighteenth century France Drawing on evidence from the visual arts literature philosophy and medicine she portrays the deviance ascribed to both inspired men and women But while various mythologies worked to normalize deviance in male artists women had no justification for their deviance For instance the mythical sculptor Pygmalion was cured of an abnormal love for his statue through the making of art He became a model for creative artists living happily with his statue come to life No happy endings though were imagined for such inspired women writers as Sappho and Heloise who burned

with erotomania their art could not quench Even so Sheriff demonstrates the perceived connections among sexuality creativity and disease also opened artistic opportunities for creative women took full advantage of them Brilliantly reassessing the links between sexuality and creativity artistic genius and madness passion and reason Moved by Love will profoundly reshape our view of eighteenth century French culture **The Triumph of Love** Benedict Williamson,1923
