Medieval and Early Modern Representations of Authority in Scotland

and the British Isles Kate Buchanan, Lucinda H.S. Dean, 2016-05-20 What use is it to be given authority over men and lands if others do not know about it Furthermore what use is that authority if those who know about it do not respect it or recognise its jurisdiction And what strategies and language written and spoken visual and auditory material cultural and political did those in authority throughout the medieval and early modern era use to project and make known their power These questions have been crucial since regulations for governance entered society and are found at the core of this volume In order to address these issues from an historical perspective this collection of essays considers representations of authority made by a cross section of society within the British Isles Arranged in thematic sections the 14 essays in the collection bridge the divide between medieval and early modern to build up understanding of the developments and continuities that can be followed across the centuries in question Whether crown or noble government or church burgh or merchant all desired power and influence but their means of representing authority were very different These essays encompass a myriad of methods demonstrating power and disseminating the image of authority including material culture art literature architecture and landscapes saintly cults speeches and propaganda martial posturing and strategic alliances music liturgy and ceremonial display Thus this interdisciplinary collection illuminates the variable forms in which authority was presented by key individuals and institutions in Scotland and the British Isles By placing these within the context of the European powers with whom they interacted this volume also underlines the unique relationships developed between the people and those who exercised authority over them

Robert Love's Warnings

Cornelia H. Dayton, Sharon V. Salinger, 2014-02-18 In colonial America the system of warning out was distinctive to New England a way for a community to regulate those to whom it would extend welfare Robert Love s Warnings animates this nearly forgotten aspect of colonial life richly detailing the moral and legal basis of the practice and the religious and humanistic vision of those who enforced it Historians Cornelia H Dayton and Sharon V Salinger follow one otherwise obscure town clerk Robert Love as he walked through Boston s streets to tell sojourners in His Majesty s Name that they were warned to depart the town in fourteen days This declaration meant not that newcomers literally had to leave but that they could not claim legal settlement or rely on town poor relief Warned youths and adults could reside work marry or buy a house in the city If they became needy their relief was paid for by the province treasurer Warning thus functioned as a registration system encouraging the flow of labor and protecting town coffers Between 1765 and 1774 Robert Love warned four thousand itinerants including youthful migrant workers demobilized British soldiers recently exiled Acadians and women following the redcoats who occupied Boston in 1768 Appointed warner at age sixty eight owing to his unusual capacity for remembering faces Love kept meticulous records of the sojourners he spoke to including where they lodged and whether they were lame ragged drunk impudent homeless or begging Through these documents Dayton and Salinger reconstruct the biographies of travelers exploring why so many people were on the

move throughout the British Atlantic and why they came to Boston With a fresh interpretation of the role that warning played in Boston s civic structure and street life Robert Love s Warnings reveals the complex legal social and political landscape of New England in the decade before the Revolution **The Jesus Bible, ESV Edition** Zondervan,2019-03-12 Sixty Six Books One Story All About One Name Encounter the living Jesus in all of Scripture From the Passion movement The Jesus Bible ESV Edition lifts Jesus up as the lead story of the Bible and encourages you to faithfully follow him as you participate in his story Profound yet accessible study features help you meet Jesus throughout Scripture See him in every book so that you may know him more intimately love him more passionately and walk with him more faithfully Features Complete text of the English Standard Version ESV Introduction by Louie Giglio 66 book introductions highlight the story of Jesus in every book 6 compelling essays on the grand narrative of Scripture guide you to treasure Jesus Over 300 full page articles and nearly 700 sidebar articles reveal Jesus throughout all of Scripture ESV concordance **Four Essential Loves** William R. McAlpine,2013-05-22 How does one determine the readiness of any candidate for leadership in ministry Whether considering vocational ministry leadership or a position on a local board of elders or deacons without question knowledge and skills are essential But an individual s readiness for leadership and ministry cannot be assessed solely on the basis of academic transcripts or impressive statistics found in a pastor or lay leader s annual report While embracing knowledge and skill as essential to effective leadership and ministry the author demonstrates how these dimensions are inadequate unless rooted in that which is less quantifiable namely heart readiness But what does heart readiness entail or look like in the life of a leader in ministry In a word that is grossly overused and profoundly misunderstood love and more specifically love for the right things in the right way for the right reasons This book is intended for those being trained in the bible college or seminary classroom but also for lay leaders already engaged in virtually any ministry context as well Readers are encouraged to consider and cultivate four essential loves love for God s Word for Christ s church for one s neighbor and for oneself *The Holy Peshitta Bible Translated ("God Is Love" Edition)* Rev. David Bauscher,2020-01-10 This is the complete Bible translated entirely from the Aramaic text of the 1st century Peshitta Bible Aramaic was the native tongue of Jesus the Jewish people and the Middle East in the 1st century The Peshitta New Testament is the original inspired writing of The Spirit of Holiness in the language of The Christ his Apostles and of Israel and the Middle East In the volume of Love Eternal I have meditated that I would keep your commandments Ps 119 57 Holy Peshitta Bible Translated God is Love edition When we see the truth God is Love according to 1st John 4 8 16 we are given a new Bible and God s New Name The Volume of LOVE Eternal written by The SPIRIT of LOVE about The LOVER FATHER s love for his BELOVED SON and all their beloved sons and daughters made by LOVE s hand This edition is identical in all respects with my 3rd edition of The Holy Peshitta Bible Translated but for the translation of the Name of Maryah LORD JEHOVAH and of Alaha GOD as LOVE ETERNAL LOVE *The Latest Illustrated Polyglot Family Bible Containing the Old and New Testaments, Together with the Apocrypha* ,1872
