plane crash in Egypt landed him in Washington D C where his cheery letters home were cover for his work in the British Secret Service along with gossip updates on his spontaneous rise in Hollywood and his budding New York literary career His mother was in many ways Dahl s first reader and without her correspondence he might never have become a writer Sofie Magdalene kept every letter her son wrote to her sadly her own side of the correspondence did not survive It was she who encouraged him to tell stories and nourished his desire to fabricate exaggerate and entertain In these letters Dahl began practicing his craft developing the dark sense of humor and fantastical imagination that would later produce his timeless tales The author of James and the Giant Peach Charlie and the Chocolate Factory Matilda and The BFG Dahl is known by millions the world over today But writing candidly to the person who knew him best Dahl was as singular a character as any he created on paper Assembled by Dahl s authorized biographer Donald Sturrock Love from Boy is a remarkable collection of never before published writing that spans four decades and chronicles the remarkable unpredictable life of its author While Dahl s books remain bestselling favorites for all ages Love from Boy provides an unprecedented glimpse of the author through his own eyes a life punctuated by tragedy creative stagnation unexpected fame and fantastic adventure
