Best Loved Folk Tales of India Pranab Chandra Roy Choudhury, 1999-08 India is a treasure trove of folktales born out of the customs and traditions of the country Sometimes these tales are retold in its different regions while imparting the local flavour to them The mobility of the folktales can be attributed to the pilgrims and travellers journeying from one part of the country to another They rested at night in dharamsalas or inns often attached to temples where they mingled among themselves and with the local people More often than not folktales are passed on from grandmother to grandchildren so vividly that they are impressed in the listener's memory forever They are delightful and fascinating to the young as well as the old The same story even when heard repeatedly does not lose its interest as it appeals to the fantasies the make beliefs and the primitiveness in us These beautiful folktales of India were on the verge of extinction when a project of compilation of 21 volumes consisting of folktales of different regions was launched by Sterling These folktales have been gleaned from the larger collection

Finding God in a Galaxy Far, Far Away Timothy Paul Jones, 2010-06-30 Nothing in Your Life Is Ordinary Your present world isn't supposed to be this small You were made for something much bigger And no you don't have to be an astronaut or even a Star Wars fan to live it Finding God in a Galaxy Far Far Away is not about space travel or even a movie It's about rediscovering your sense of wonder something we adults have successfully squelched from our everyday lives But God never meant it to be that way Timothy Jones by way of an astounding eye opening study of the spiritual parallels found in the Star Wars saga will make you a kid again You'll be marveling at the mysterious laughing anew at life's coincidences and remembering above all the Creator for which you were made May the True Force Be with You Remember when Star Wars first captured your imagination How your longing for adventure propelled you to distant worlds and transformed you into a Jedi knight faster than you could say Luke I am your father This same longing once sparked by John Williams's triumphant

score and fanned by Darth Vader's sweeping black cape is your ticket to life's greatest adventure. Join Timothy Paul Jones on an astounding eye-opening exploration of the spiritual themes in the Star Wars saga and the truth will become clear. Like young Luke Skywalker, you were also made for more, much more. Rediscover awe. Revel in the wonder of every moment. And pursue all you were meant to be. It is your destiny. The Force is strong with this one. I could not recommend it more. Joshua Griffin, Editor/Owner, TheForce.Net, Manager, Purpose-Driven Youth Ministry. If you own a lightsaber or a Bible, you're sure to benefit from reading his book. Kevin Miller, author and reviewer, HollywoodJesus.com. Awe: some reading that both delights and challenges us. A fun and thoughtful book for Christians who consider and enjoy popular culture and media. Robert W. Pazmino, Valeria Stone, Professor of Christian Education, Andover Newton Theological School. Story Behind the Book: The night I first saw Star Wars from the backseat of my parents' Ford Pinto was the first night I experienced awe. It sent me on a quest that continues today. There is in every one of us a longing to touch the forever, to sense the magnitude of the vastness in which we live. This universal longing explains why we ride roller coasters and tell scary stories. This universal longing for awe also explains why, after nearly thirty years, the popularity of the Star Wars saga shows no sign of subsiding. I wrote this book to inspire readers to relish awe and wonder because God did not only create us to long for awe but also to live in it. Timothy Jones.
