Loves Humility:

Love's Humility John MacArthur, 1986-05 *To Love as God Loves* Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned **The God Who Loves You** Peter Kreeft, 2009-09-03 God's love is the subject of Peter Kreeft's imaginative and thoughtful book a revised and updated version of his book *Knowing the Truth of God's Love* With unusual clarity Kreeft points out that the man or woman who begins to glimpse the God who is Creator Redeemer and Lover of our souls will never be the same He describes Scripture as God's love story and then tells why divine love is the answer to our deepest problems and the fulfillment of our deepest desires Posing the hard questions about love that rankle the heart Peter Kreeft never settles for easy answers He exposes today's superficial attitudes about love to lead people to a deeper understanding of what it means to be loved by God addressing these issues and many more Canadian Prairie Mennonite Ministers' Use of Scripture Donald Stoesz, 2018-02-16 A chance discovery of a log book of sermons by grand uncle and Evangelical Mennonite Mission Conference minister Cornelius G Stoesz led Donald Stoesz on a fifteen year odyssey in which he identified four hundred and fifty seven Scripture texts used by seventeen Mennonite ministers in Canada over the course of one hundred years 1874 1977 The extensive yet selective use of the Lutheran lectionary by these ministers illuminates an aspect of Mennonite church life that has seldom been recognized Known as the *Anweisung der Lieder* and located at the front of the German language hymnbook *Gesangbuch* this lectionary was in use by Mennonite congregations in the 18th and 19th centuries in Prussia and Russia Stoesz details Scripture usage and arranges sermon texts according to method of selection and topic Included in this analysis are biographies of three pastors and several translated sermons from 1 Peter *The Weevil Strategies* Wesley Tillett, 2023-07-14 Whether we want it or not whether we believe it or not every one of us is engaged in a spiritual battle Evil is smart It doesn't come at us with temptations clearly labeled evil It quietly plays to our fears It slyly preys on our desires The *Weevil Strategies* playfully turns the lights on some seriously dark attempts to ruin our lives By becoming aware of the strategies of our spiritual enemy we are empowered to overcome all that would keep us from living to the max of freedom joy and fruitfulness **Traveling Light** Max Lucado, 2023-04-18 We're all weighed down by loads we were never intended to carry With New York Times bestselling author and pastor Max Lucado as your guide *Traveling Light* invites you to release some of those heavy burdens and experience true rest We've all seen weary travelers everything they own crammed into their luggage staggering through terminals and hotel lobbies with overstuffed suitcases trunks duffels and backpacks Backs ache Feet burn Eyelids droop We can all be people like that if not with our physical luggage then at least with our spiritual load of guilt discontentment doubt or loneliness Centered around the comforting uplifting words of Psalm 23 *Traveling Light*

will give you the encouragement and the tools you need to release the burdens of Self reliance Arrogance Hopelessness Disappointment Shame There are certain weights in life that we simply aren't designed to carry and Max reminds us that the Lord is asking you to set them down and trust him He is the father at the baggage claim When a dad sees his five year old son trying to drag the family trunk off the carousel what does he say The father will say to his son what God is saying to you Set it down child I'll carry that one What if we took God up on his offer We just might find ourselves traveling a little lighter

Does love command an ineffability that remains inaccessible to the philosopher Thinking About Love considers the nature and experience of love through the writing of well known Continental philosophers such as Hannah Arendt Simone de Beauvoir Jacques Derrida and Maurice Merleau Ponty Evolving forms of social organization rapid developments in the field of psychology and novel variations on relationships demand new approaches to and ways of talking about love Rather than offering prescriptive claims this volume explores how one might think about the concept philosophically without attempting to resolve or alleviate its ambiguities paradoxes and limitations The essays focus on the contradictions and limits of love manifested in such phenomena as trust abuse grief death violence politics and desire An erudite examination of the many facets of love this book fills a lacuna in the philosophy of this richly complicated topic Along with the editors the contributors are Sophie Bourgault John Caruana Christina M Gschwandtner Marguerite La Caze Alphonso Lingis Christian Lotz Todd May Dawne McCance Dorothea Olkowski Felix Murchadha Fiona Utley and M lanie Walton **The Prodigal You Love** Theresa
