The Fates of Alceus; Or, Love's Knight Errant William Crawford, 1828 **Kriya Yoga** Yoga Niketan, Sailendra Sri Sailendra Bejoy Dasgupta, Sri Sailendra Bejoy Dasgupta, 2006-06. This book is a rare gem. Written and originally appearing at the end of the author's illustrious life, it is one of the few books available today in which the accurate information on Kriya Yoga is given historically and otherwise, and written by a man who was part of that sacred tradition during its very crucial years and who had personally known several of the authorized disciples of the Yogiraj Shyama Charan Lahiri Mahasaya, including of course his own beloved Master, the illustrious Swamiji Maharaj Sriyukteshvar Giri, by whom he was initiated in year 1929 at age nineteen and with whom he remained in close association. Kriya Yoga is a system of physical and mental discipline towards attainment of Yoga as defined in the Yoga Shastras. The system taught by Yogiraj Shyama Charan Lahiri and down through his illustrious disciples is commonly termed Kriya. The technique and discipline taught are in conformity with the basic conceptions laid down in the Gita, Patanjali Yoga and Tantra Shastras and the Manu Smriti and designed in the pattern of movements of heavenly bodies that cause appearance of the Yugas and their virtues. The book also discusses similarities that can be traced in the teachings of Jesus Christ contained in selected expressions in the Holy Bible and the basic conceptions of the Hindu spiritual practices and scriptures. Essentially, Kriya Yoga is a universally applicable spiritual system without any inhibition with regard to faiths and nationalities and directed towards development of the complete man in body, mind, and in the unfoldment of the inner Spirit.

God So Loved the World Fr. Robert Spitzer, SJ, 2016. In this volume, the brilliant Fr. Spitzer probes in detail the major question: that if an intelligent Creator God manifest in logical proofs, scientific evidence, and near-death experiences, who is the source of our desire for the sacred and the transcendental desires for truth, love, goodness, and beauty, would He want to reveal Himself to us personally and ultimately? He then shows this is reasonable not only in light of our interior experience of a transcendent Reality, but also that a completely intelligent Reality is completely positive, implying its possession of a completely positive virtue, namely love, defined as agape. This leads to the question: whether God might be unconditionally loving, and if He is, whether He would want to make a personal appearance to us in a perfect act of empathy, face to face. After examining the rational evidence for this, he reviews all world religions to see if there is one that reveals such a God, an unconditionally loving God who would want to be with us in perfect empathy. This leads us to the extraordinary claim of Jesus Christ, who taught that God is Abba, the unconditionally loving Father. Jesus' claims go further, saying that He is also unconditional love, and that His mission is to give us that love.

through an act of complete self sacrifice He also claims to be the exclusive Son of the Father sent by God to save the world and the one who possesses divine power and authority The rest of the book does an in depth examination of the evidence for Jesus unconditional love of sinners his teachings his miracles and his rising from the dead As well as the evidence for Jesus gift of the Holy Spirit that enabled his disciples to perform miracles in his name and evidence for the presence of the Holy Spirit today If this strong evidence convinces us to believe that Jesus is our ultimate meaning and destiny and desire His saving presence in our lives that evidence should galvanize the Holy Spirit within us to show that Jesus is Lord and Savior the way the truth and the life And our faith in him will transform everything we think about our nature dignity and destiny and how we live endure suffering contend with evil and treat our neighbor
