Lovesongs And Others Fiddlehead Poetry:

Schwanengesang Ralph O. Cunningham, 2008 This is modernist poetry The author a 70 year old senior is still modernist at heart Reading his work one recalls just how much we learnt from the modernists beginning with Eliot and Hart Crane Cunningham's work in spite of its expressive oddity contains splendid content with many lines for the eye and the ear Cunningham makes frequent use of glaring grammatical and verbal dissonances as in certain avant garde modernist music and perhaps even Beethoven's He appeals however to the heart and the heart understands even where the mind falters and fails to make sense This book is intended for poetry lovers of all ages and the author and his publishers are undeterred by the fact that as yet Cunningham has very few readers *Monographic Series* Library of Congress, **Canadiana**, 1983

Little Resilience Eli MacLaren, 2020-10-22 The Ryerson Poetry Chap Books were a landmark achievement in Canadian poetry Edited by Lorne Pierce the series lasted for thirty seven years 1925-62 and comprised two hundred titles by writers from Newfoundland to British Columbia over half of whom were women By examining this editorial feat Little Resilience offers a new history of Canadian poetry in the twentieth century Eli MacLaren analyzes the formation of the series in the wake of the First World War at a time when small presses had proliferated across the United States Pierce's emulation of them produced a series that contributed to the historic shift in the meaning of the term chapbook from an antique of folk culture to a brief collection of original poetry By retreating to the smallest of forms Pierce managed to work against the dominant industry pattern of the day agency publishing or the distribution of foreign editions Original case studies of canonical and forgotten writers push through the period's defining polarity modernism versus romanticism to create complex portraits of the author during the Depression the Second World War and the 1950s The stories of five Ryerson poets Nathaniel A Benson Anne Marriott M Eugenie Perry Dorothy Livesay and Al Purdy reveal poetry in Canada to have been a widespread vocation and a poor one as fragile as it was irrepressible The Ryerson Poetry Chap Books were an unprecedented initiative to publish Canadian poetry Little Resilience evaluates the opportunities that the series opened for Canadian poets and the sacrifices that it demanded of them *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **LOVE NOTES: A Collection of**

Romantic Poetry Robert Wexelblatt, Joan McNerney, Robert Moreland, 2012-01-28 Love shared love in secret celebrated exploded Unrequited longing and love that's mellowed through the years Love at long distance across continents so close there's no space to breathe or never quite close enough Love lost and love found Love from the inside out and love from the outside in Love Notes has it all a collection of poetry as diverse as the experience of falling in love itself A shared candied apple a farewell at Paddington Station a name scribbled in a notebook a face that leaves us breathless a single word that

changes our life forever Love Notes is a rich tapestry of verse woven from fragments of life and those moments that make falling in love so irresistible And so inevitable Love is unique love is universal Love is everywhere **Poetry** Harriet Monroe,1982 The British Library General Catalogue of Printed Books, 1986 to 1987 British Library,1988 Canadian Books in Print ,1981 Includes French language titles published by predominantly English language Canadian publishers

The Fiddlehead Moment Tony Tremblay,2019-12-05 For many Canadians the small province of New Brunswick on Canada s scenic east coast is a nice place to visit but no place to live plagued for generations by outmigration and economic stagnation In *The Fiddlehead Moment* Tony Tremblay challenges this potent stereotype by showcasing the work of a group of literary modernists who set out to change the meaning of New Brunswick in the national lexicon Alfred Bailey Desmond Pacey Fred Cogswell and a formidable group of local poets and cultural workers collectively New Brunswick s Fiddlehead School sought to restore New Brunswick s literary reputation by adapting avant garde modernist practices to the contours of the province opening it to the contemporary world while also encouraging writers to make it their subject The result was a non urban form of modernism that was as responsive to technical innovation as to the human geographies of New Brunswick By placing New Brunswick writers and critics at the forefront of Canadian literature in the midcentury modernist project Tremblay adds an important new chapter to our understanding of Canadian modernism *The Fiddlehead Moment* is the first critical examination of this group s considerable influence Whether through Bailey s ethnomethodology Pacey s critical ordering or Cogswell s editorial eclecticism in the Fiddlehead magazine and Fiddlehead Poetry Books authors in New Brunswick Tremblay argues had a profound impact on writing in Canada *International Who's Who in Poetry 2004* Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Lords of Winter and of Love** Barry Callaghan,1983 *The Essential Kay Smith* Kay Smith,2019-10-01 Over the course of her lengthy career New Brunswick poet Kay Smith published in some of Canada s finest literary journals Her work displays a sophisticated fusion of images metaphors and symbols forgoing clear connections in favour of fractured grammar surprising diction and her own unique poetic mythology In Smith s poetry images are not signs of meaning or emotion but rather forms of being underpinned by her religious faith her aptitude for metaphysical inquiry and her belief in the purity and wonder of the imagined world *The Essential Poets Series* presents the works of Canada s most celebrated poets in a package that is beautiful accessible and affordable *The Essential Kay Smith* is the twentieth volume in the increasingly popular series

magazines genres and sub genres critical concepts and rhetorical terms Canadian Poets, 1960-1973 George Woodcock, 1976-01-01 Compiled in 1976 by George Woodcock this book lists works by 600 poets in 1200 books and booklets during the era leading up to Canada's literary coming of age This listing of the writings in verse of Canadian poets between 1960 and 1973 came into existence because I was invited by Carl F Klinck the General Editor of the Literary History of Canada to write for a new edition of that work the chapter covering poetry published in Canada since 1960 It was obvious that my first need was an adequate list for I very soon realized that in quantity even more than in character the poetry published in Canada during the past decade has differed radically from what had appeared at any other time in the literary progress of our country Introductory note by George Woodcock *Canadian Index to Periodicals and Documentary Films*, 1963 Canadian Book Review Annual, 1984 Subject Catalog Library of Congress, *Anthology of Magazine Verse and Yearbook of American Poetry*, 1985 **Borestone Mountain Poetry Awards** Robert Thomas Moore, 1960
