The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In *The Significance of Interpersonal Forgiveness in the Gospel of Matthew* he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew s point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God

BACK COVER **The Practical Works of the Rev. Richard Baxter** Richard Baxter,1830 **The Practical Works of Richard Baxter: with a Life of the Author and a Critical Examination of His Writings by William Orme** Richard Baxter,1830 **Beyond Retribution** Christopher D. Marshall,2001 Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles But is this approach truly consistent with the teaching of Scripture To date very little has been done to test this claim Beyond Retribution fills a gap by plumbing the New Testament on the topics of crime justice and punishment Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to mainstream society He then surveys the extent to which the New Testament addresses criminal justice issues looking in particular at the concept of the justice of God in the teachings of Paul and Jesus He also examines the topic of punishment reviewing the debate in social thinking over the ethics and purpose of punishment including capital punishment and he advocates a new concept of restorative punishment The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders Publisher **The Good News of Church Politics** Ross Kane,2024-04-09 Rethinking politics in the light of God When we think about politics we often think about the privileged vying for power Alternatively we might think about gridlock about frustration or about how little our voices seem to matter Our obsession with statecraft can both paralyze us and lead us to duplicate the tactics of this exasperating form of politics when we lead our church communities Ross Kane has good news for us church politics doesn't have to work this way In fact it can even become a spiritual practice Drawing on his work as a pastor in the DC area Kane shows how localized action by churches can make a real difference in their neighborhoods Kane combines Scripture political theology and personal experience to reframe politics around shaping our common life From community service to advocacy congregations can practice politics in ways that embrace our loving interdependence as members of the body of Christ Church leaders whether

Loving Our Enemies James H. Forest, Jim Forest, 2014 Not everything Jesus taught must be regarded as a commandment Counsels on voluntary poverty or celibacy for instance have been seen as an option for a small minority of Christ's followers The same cannot be said about the love of enemies This does not fall in the if you would be perfect category It is instead basic Christianity which Jesus taught through direct instruction through parables and by the example given with his own life And yet it is undoubtedly the hardest commandment of all one that runs counter to our natural inclinations It is as Jim Forest shows a commandment that calls for prayer discernment and constant practice Along with reflections drawn from scripture the lives of the saints and modern history Forest offers nine disciplines of active love including praying for enemies turning the other cheek forgiveness and recognizing Jesus in others that make the love of enemies if not an easier task then a goal worth striving toward in our daily lives
