[Start Loving Again](#) Ellie K. Flores, 2022-03-04 Does your partner check on you all the time? Do you feel like they get jealous and insecure whenever they see you talk to someone? Do you think that they are always suspicious of your actions and judge you all the time? Do you wish they would stop controlling your life and let you enjoy it to the fullest? Have they broken your trust over and over again? Once trust is broken it can be hard to rebuild but not impossible. In *Start Loving Again* we discuss the many reasons why couples stay together after trust has been broken. We also look at how they can get back together and redevelop a strong and ever lasting connection. The most pressing issues discussed in the book involve The many signs to spot an untrustworthy partner. How to know if the relationship is salvageable or not. What can you as a couple do to prevent trust issues from stemming. How to work on yourself and make yourself a desirable partner. Many times couples are too quick to part ways. They think that once trust has been broken the relationship has become unsalvageable. They believe there is no point in putting in the work and suffering alone despite being very much in love.
