**Loving through Your Differences** James L. Creighton, 2019-02-05 FIND HAPPINESS AND FULFILLMENT THROUGH RATHER THAN DESPITE YOUR DIFFERENCES Dr James Creighton has worked with couples for decades facilitating communication and conflict resolution and teaching them the tools to build healthy happy relationships He has found that many couples start out believing they like the same things see people the same way and share a united take on the world But inevitably differences crop up and it can be profoundly discouraging to find that one's partner sees a person situation or decision completely differently Although many relationships flounder at this point Creighton shows that this can actually be an opportunity to forge stronger ties In *Loving through Your Differences* he draws on the latest research in cognitive science and developmental psychology to show how we invent our realities with our perceptual minds He then provides clear concrete tools for shifting our perceptions and reframing our responses The result moves couples out of the fear and alienation of your way or my way and into a deep understanding of the other that allows for an our way As Creighton shows this way of being together based on the reality of individuality rather than the illusion of sameness sets the stage for long term excitement discovery and fulfillment
