

A muscular man with a dark complexion is shown from the waist up, shirtless, wearing a dark leather choker and a wide-brimmed hat. He is standing in a desert landscape with a clear blue sky and a few small, dark structures in the distance. The overall tone is warm and dramatic.

Loving Miranda Teresa Bodwell, 2012-08-15 Every Heart Needs A Home Miranda Chase can't refuse when her pregnant sister Mercy asks her to return to their Colorado ranch even though her sister's new family is a painful reminder of everything Miranda knows she'll never have. She'll travel to the ends of the earth to protect Mercy's newfound happiness even if it means sweet talking Benjamin Lansing whose claim to Mercy's ranch reaches beyond money. But despite Miranda's distrust of the man the sweet words come easily as do the kisses. Ben isn't looking for love and certainly not with Miranda who is as pure and innocent as a spring flower. She has no need of a hardened man like him. All he wants is to collect what sowed him and be on his way. But Miranda's soft touch is temptation indeed and loving her for now and forever just might be what he's truly wanted all along. *Romance Fiction* Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best selling genre of all time romance fiction. More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre. Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre* published in 1999. While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. *American Book Publishing Record*, 2006. *Travel and Colonialism in 21st Century Romantic Historical Fiction* Paloma Fresno-Calleja, Hsu-Ming Teo, 2024-12-16 Romantic fiction has often involved stories of travel. In narratives of the journey towards love romance often involves encounters with exotic places and peoples. When history is invoked in such stories the past itself is exoticised and treated as other to the present to serve the purposes of romanticisation a narrative strategy by which all manner of things settings characters costumes customs consumables are made to perform a luxuriant otherness that amplifies the experience of love. This volume questions the reparative function of Anglophone romantic historical fiction to ask can plots of travel and discourses of tourism empower women while narrating stories of healing for the wounds of the past. This is the first volume to consider how romanticised and exoticised women's historical fiction not only serves the purposes of armchair travel but may also replicate colonial discourse unintentionally positioning readers as neocolonial neo Orientalist cultural voyeurs as well as voyagers. *Love's Endless Flame* Betty Brooks, 1992 Much to her chagrin expert cave explorer Miranda is trapped in a dark cave with Rogue McClaren the rude rancher who has been a thorn in her side from the beginning of their expedition.
