Perfectly Imperfect Love Sankalp Shrivastava, 2021-03-26 Love as confusing as it is has a routine set of rules You have a Boy a Girl both get together and fall in love But what happens when that love falls apart what happens when even after loving the girl with all his heart the boy keeps hurting her in every moment What happens when the girl gets her heartbroken decides to walk away leaving the boy question his own existence What happens when another girl comes in makes that boy dream again only to become a part of that dream herself What happens when unexpectedly the first girl comes back into his life leaving the boy perplexed whom to love whom to not *Perfectly Imperfect Love* is the Story of Sanjay Sonam who were deeply in love but they eventually fell apart It is also about Diya who somehow becomes a part of this Story that was always supposed to be about the other two Will Sanjay give in to his infatuation for Diya Will Sanjay Sonam move on in life or their love will eventually bring them back together What will happen when love is all they have still no one knows will it ever be enough *Impermanent Footprints* Jill Marcy, 2010-05-20 As I leave my time on this earth I know that my footprints on it are silent invisible and impermanent upon its surface My existence is only recorded by those I've known in my life in their memories of me These too are impermanent and will in time fade and become no more This is the cycle of life I write this book as a personal record of my viewpoints interpretations of what I have viewed and experienced whilst on my earth walk My motivation to write it is like many before me and many more after I am gone To leave a vision in print for others to reference to or use as a signpost towards a path upon which they might like to journey themselves I write this book of reference mainly for my sons for when I am gone they will in time forget my voice of guidance and this book will be a way of keeping my teachings and guidance available for them to tap into if they need once I am no longer here physically I began to write this book in the year 2007 I am now reaching my mid 40's and am beginning to start my reflective years of living My generation has been given the name of the X generation which is interesting due to the content of my book falling into the X factor However if you ask my sons they would have you believe that I'm well into being OLD In history men and women were respected in their elder years as the tribes and cultures of those times valued their wisdom which they contributed to the younger members of the tribe Storytelling was a valued tradition as it was in that time the only way to hand down knowledge so it could continue on through the younger generations In our modern society this tradition is considered barbaric and youth
