Loving Through Bars Children With Parents In Prison:

Loving Through Bars Cynthia Martone, 2005 Provides a close up examination of the instability and uncertainty that plague the children of prisoners in a collection of personal anecdotal accounts that chronicle their attempts to cope with the unique challenges in their lives

The Relationship Rights of Children James G. Dwyer, 2006-04-17 This book presents a sustained theoretical analysis of what rights children should possess in connection with state decision making about their personal relationships which the state does in numerous aspects of family law including paternity adoption custody and visitation termination of parental rights and grandparent visitation It examines the nature and normative foundation of adults rights in connection with relationships among themselves and then assesses the extent to which the moral principles underlying adults rights apply also to children It concludes that the law should ascribe to children rights equivalent though not identical to those which adults enjoy and this would require substantial changes in the way the legal system treats children including a reformation of the rules for establishing legal parent child relationships at birth and of the rules for deciding whether to end a parent child relationship

Grief, Loss, and Treatment for Death Row Families Sandra Joy, 2013-12-05 The families of death row inmates are rarely considered in public discourse regarding the death penalty They have largely been forgotten and their pain has not been acknowledged by the rest of society These families experience a unique grief process as they are confronted with the loss of their loved one to death row and brace themselves for the possibility of an execution Death row families are disenfranchised from their grief by the surrounding community and their mental health needs exacerbated as they struggle in isolation with the ambiguous loss that comes with the fear that the state will kill their loved one *Grief Loss and Treatment for Death Row Families* describes the grief that families experience from the time of their loved one's arrest through his or her execution In each chapter Sandra Joy guides the reader through the grief process experienced by the families offering clinical interventions that can be used by mental health professionals who are given the opportunity to work with these families at various stages of their grief The author conducted over seventy qualitative interviews with family members from Delaware who either currently have a loved one on death row or have survived the execution of their loved one Delaware was chosen because though it has a relatively small death row it is ranked third in the nation with its rate of per capita executions This book provides an in depth awareness of the grieving process of death row families as well as ways that professionals can intervene to assist them in healing With increased awareness and effective clinical treatment we can ensure that the families of death row inmates are forgotten no more

Critical Criminology in Canada Aaron Doyle, 2011-01-01 This book presents the work of a new generation of critical criminologists who explore the geographical institutional and political contexts of the discipline in Canada Breaking away from mainstream criminology and law and order discourses the authors offer a spectrum of theoretical approaches to criminal justice from governmentality to feminist criminology from critical realism to anarchism and they propose novel approaches to topics

Educating the Net Generation Bob Pletka,2007-07-01 Educating the Net Generation How to Engage Students in the 21st Century addresses the national problem of escalating high school dropout rates and student disengagement and offers solutions as to how to best involve students of the millennial generation The book examines the unique characteristics of the

Net Generation and explains how the educational expectations and needs of the Net Generation differ from their Gen X parents and Baby Boomer grandparents. It also looks at why many students resist engaging in formalized education in schools and ultimately drop out. Chapters featuring student interviews and photographs synthesize the perspectives of current high school students regarding their experiences, beliefs, and thoughts on learning, while a parallel set of parent interviews reveals what parents feel is important in their child's education and how they would like to see schools engage their children in learning. Recommendations for changes in school policy and the financial investment critical to turning the situation around are also included, along with an inventory checklist for parents, teachers, and school administrators to determine if their individual school environment has what it takes to keep students motivated and engaged.

Tower Stories Damon DiMarco, 2007-08-01 Damon DiMarco's *Tower Stories* An Oral History of 9/11 eternally preserves a monumental tragedy in American history through the voices of the people who were in Lower Manhattan and elsewhere in New York City on that fateful day. The stories DiMarco has collected come from a diverse group of human beings: individuals who managed to escape from the Towers; the bereaved of 9/11; the policemen, firemen, paramedics, reporters, and volunteers who risked their lives to help others; eyewitnesses who stood in shock on the streets below the Towers; WTC structural engineers, political experts, political dissidents, small business owners, and of course children whose lives will be forever impacted by the horror and chaos they witnessed. In the tradition of Studs Terkel, DiMarco's moving oral history chronicles the stories of everyone from the small group of people who miraculously made it safely down from the 89th floor of Tower 1 to the New York Times reporter trying desperately to fight her way through the fleeing crowds into Lower Manhattan to the paramedic who set up a triage area 200 yards from the base of the Towers before they collapsed to the ordinary citizens of New York City who tried to get on with their lives in the days following the tragic event. This expanded second edition of DiMarco's literary time capsule includes follow-up interviews that track contributors' lives in the years since 9/11, as well as dozens of never before published photographs.

The Shakespeare Diaries J. P. Wearing, 2007-04-01 What was Shakespeare thinking while he was writing *Hamlet*? What did he and Ben Jonson talk about when they were having a drink together? Did he meet Queen Elizabeth? What might Shakespeare have said to the formidable monarch? In *The Shakespeare Diaries*, J. P. Wearing, Professor Emeritus of English at the University of Arizona, blends fact with fiction to create a unique fictional autobiography of the great playwright that takes the reader into The Bard's life like never before. *The Shakespeare Diaries* provides a window into Shakespeare's world: his day-to-day life, his work, his friends and associates, and his view of daily events, thus giving readers a vivid impression of the Elizabethan era and Shakespeare's role within that society. Writing in diary form in the delightfully whimsical style of Shakespeare himself, Wearing incorporates many fragments of lines and phrases from The Bard's plays and poems. Fascinating endnotes provide further annotation and information for those readers who wish to know more. Readers new to Shakespeare will be drawn in by such an intimate portrait, while seasoned aficionados, students, teachers, and scholars

actors and theatre goers will relish this fresh offbeat approach to the man and his work *Calculated Risk* Jonna Doolittle Hoppes,2005-03-01 Famous for leading the Tokyo Raid America's first strike against Japan in World War II Jimmy Doolittle led a remarkable life as an American pilot This firsthand account by his granddaughter reveals an extraordinary individual a scientist with a doctorate in aeronautical engineering from MIT an aviation pioneer who was the first to fly across the United States in less than 24 hours and the first to fly blind using only his plane's instruments a barnstormer well known for aerobatics a popular racing pilot who won every major air race at least once recipient of both the Congressional Medal of Honor and Presidential Medal of Freedom a four star general and commander of both the 8th 12th and 15th Air Forces This memoir provides insights into the public and private world of Jimmy Doolittle and his family and sheds light on the drives and motivation of one of America's most influential and ambitious aviators *Behind Bars, Beyond Love* Lloyd Leon,2025-04-08 The emotional toll on parents who find themselves incarcerated can be profound and multifaceted Many experience feelings of guilt and shame not just for their circumstances but for the impact their absence has on their children This emotional burden can be overwhelming leading to a sense of helplessness as parents grapple with the reality of being separated from their loved ones It is crucial to acknowledge these feelings while also recognizing that they can be navigated and managed through healthy coping strategies *A House Rabbit Primer* Lucile C Moore,2005-03-01 *A House Rabbit Primer* Understanding and Caring for Your Companion Rabbit is a complete up to date handbook on all aspects of rabbit care for both new and experienced pet rabbit owners Just a few years ago most pet rabbits were kept outdoors in hutches That time is past Today pet rabbits are considered to be members of the family They are spayed neutered pets kept indoors and pampered with special toys and treats In *A House Rabbit Primer* author Lucile C Moore Ph D provides pet rabbit owners with valuable information about the total care of their pet Part one tells owners just what to expect from their new member of the family and gives detailed information on how to house feed and train a rabbit Part two contains a comprehensive medical section In addition to detailed information on many rabbit diseases there are tips on creating a first aid kit for rabbits as well as providing emergency care With more and more pet owners choosing to keep their rabbits indoors full time this informative guide lays out practical information for making rabbits a healthy part of any family
