

A person is silhouetted against a night sky, standing on a dark, grassy hill. They are looking up at the Milky Way galaxy, which is visible as a bright, hazy band of light stretching across the dark sky. The sky is filled with numerous stars, and the overall scene is serene and contemplative.

People feel at home with  
low moral standards. It is  
scruples that put them off.

*Social Connectionism* Frank Van Overwalle,2013-03-07 Many of our thoughts and decisions occur without us being conscious of them taking place connectionism attempts to reveal the internal hidden dynamics that drive the thoughts and actions of both individuals and groups Connectionist modeling is a radically innovative approach to theorising in psychology and more recently in the field of social psychology The connectionist perspective interprets human cognition as a dynamic and adaptive system that learns from its own direct experiences or through indirect communication from others Social Connectionism offers an overview of the most recent theoretical developments of connectionist models in social psychology The volume is divided into four sections beginning with an introduction and overview of social connectionism This is followed by chapters on causal attribution person and group impression formation and attitudes Each chapter is followed by simulation exercises that can be carried out using the FIT simulation program these guided exercises allow the reader to

reproduce published results Social Connectionism will be invaluable to graduate students and researchers primarily in the field of social psychology but also in cognitive psychology and connectionist modeling

**Counter-Cultural Paradigmatic Leadership** Gary K. G. Choong, 2011-06-03 In *Counter Cultural Paradigmatic Leadership* Gary Choong challenges the reader to consider the mind set motive and manner of leadership in any Asian setting that is suffused with contemporary practices of paternalistic authority It provides a counter cultural paradigm shift for the Christian leader who desires to honor God with mind and heart based on a biblical moral foundation and to lead with character biblical core values and a commitment to further the cause of Christ The counter cultural paradigms and practices of integrity humility and empowerment address the ills of contemporary paternalistic authority such as didactic leadership guarding and building of reputation protection of dominance autocratic control nepotism cronyism ambivalence lack of accountability overstaying one's effectiveness and underestimating one's subordinates This counter cultural paradigmatic Christian leadership deals first with the Christian leader's character and spiritual formation over a lifetime second it seeks to influence and impact team members toward biblical coherence and congruence in discipleship team ministry and leadership development third it encourages the leader to consider ways to address organizational behavioral dysfunctions and hence organizational coherence congruence and effectiveness particularly with a view toward leadership succession and organizational significance

**Kantian Business Ethics** Denis Gordon Arnold, Jared D. Harris, 2012-01-01 In this original collection of essays a group of distinguished scholars critically examine the ethical dimensions of business using the Kantian themed business ethics of Norman E Bowie as a jumping off point the authors engage Bowie's influential body of scholarship as well as contemporary themes in business including topics such as the normative foundations of capitalism the applicability of Kantian ethics virtue ethics and pragmatism in normative business ethics meaningful work managerial ethics the ethics of high leverage finance capitalism business ethics and corporate social responsibility and responsibility for the natural environment the contributors to this volume include both scholars sympathetic to Bowie's Kantian business ethics and scholars critical of that perspective As one of the foundational figures in the establishment and legitimization of the study of business ethics as a field of scholarship Bowie casts a long shadow over the field Over the last thirty years he has applied a distinctive Kantian approach to the analysis of problems in business ethics and his work has had a substantial impact on a wide range of theory and scholarship in the field Bowie argues in his work that economic value is not the only value that should inform managers executives and policy makers when making both business policy decisions and everyday management decisions He utilizes a Kantian framework to support the position that additional values such as human dignity and rational consistency should inform business practice and influence managerial decision making He also shows that business practices that include these additional values are consistent with sound management theory and that such businesses can be financially successful This volume of scholarly essays will be of considerable interest to students and scholars working in business ethics corporate
