Nichols Mowery,2014-12-26 Three women share three separate tragedies and one very extraordinary connection It starts in the month of June when three womens lives intersectbut are they separate lives or the same life lived in different dimensions It would seem each woman lives a parallel life contained within the essence of the other two They look alike They were born with the same name Yet somehow during childhood they broke apart and became threebut only one is the original Elizabeth Ann Anderson As the women share physical space the mysteries surrounding them converge especially with the approach of the Summer Solstice the best time to see our own parallel lives The universe aligns during Earths solstices and equinoxes as do parallel lives The destinies of these three separatebut very connectedwomen will be decided in the coming weeks but questions still abound Now that theyve found each other will two of the identities fall apart Will the three Elizabeths become one Or is there something much darker and more deviant at work in the cosmos      Public testimony. 6 v United States.
