Anne Frank was a young Jewish girl who lived during World War II when people like her were killed just for being Jewish. Anne and her family were forced to hide in a tiny secret space to try and survive, and Anne began keeping a diary to practice her love of writing and pass the time. In her writing, she described what life was like as a Jewish person during the war. She also wrote about her hopes, dreams, and the future she wanted when she could live a normal life again. Even though she was scared, Anne believed in the goodness of people and never gave up hope that life would get better again. Independent reading. This Anne Frank biography is broken down into short chapters and simple language so kids 6 to 9 can read and learn on their own. Critical thinking. Kids will learn the Who, What, Where, When, Why, and How of Anne's life, find definitions of new words, and discuss.
