United States. Congress

Luce His Time Life And Fortune:

The Publisher Alan Brinkley, 2010-04-20 Acclaimed historian Alan Brinkley gives us a sharply realized portrait of Henry Luce arguably the most important publisher of the twentieth century As the founder of Time Fortune and Life magazines Luce changed the way we consume news and the way we understand our world Born the son of missionaries Henry Luce spent his childhood in rural China yet he glimpsed a milieu of power altogether different at Hotchkiss and later at Yale While working at a Baltimore newspaper he and Brit Hadden conceived the idea of Time a news magazine that would condense the week's events in a format accessible to increasingly busy members of the middle class They launched it in 1923 and young Luce quickly became a publishing titan In 1936 after Time's unexpected success and Hadden's early death Luce published the first issue of Life to which millions soon subscribed Brinkley shows how Luce reinvented the magazine industry in just a decade The appeal of Life seemingly cut across the lines of race class and gender Luce himself wielded influence hitherto unknown among journalists By the early 1940s he had come to see his magazines as vehicles to advocate for America's involvement in the escalating international crisis in the process popularizing the phrase World War II In spite of Luce's great success happiness eluded him His second marriage to the glamorous playwright politician and diplomat Clare Boothe was a shambles Luce spent his later years in isolation consumed at times with conspiracy theories and peculiar vendettas The Publisher tells a great American story of spectacular achievement yet it never loses sight of the public and private costs at which that achievement came

Luce; His Time, Life, and Fortune John Kobler, 1968 This biography of the missionary's son who invented a new kind of journalism and created a publishing empire also gives an account of the magazine complex called Time inc its internal feuds and its loyalists and rebels

The Culture of the Market Thomas L. Haskell, Richard F. Teichgraber, III, 1996-06-13 A collection of thirteen essays examining how the market has been perceived represented and experienced differently in different epochs

Congressional Record United States. Congress, 1959

Burroughs

Unbound S. E. Gontarski, 2021-11-18 In addition to contributing significantly to the growing field of Burroughs scholarship Burroughs Unbound also directly engages with the growing fields of textual studies archival research and genetic criticism asking crucial questions thereby about the nature of archives and their relationship to a writer's work These questions about the archive concern not only the literary medium In the 1960s and 1970s Burroughs collaborated with filmmakers sound technicians and musicians who helped re-contextualized his writings in other media Burroughs Unbound examines these collaborations and explores how such multiple authorship complicates the authority of the archive as a final or complete repository of an author's work It takes Burroughs seriously as a radical theorist and practitioner who critiqued drug laws sexual practice censorship and what we today call a society of control More broadly his work continues to challenge our common assumptions about language authorship textual stability and the archive in its broadest definition

New York Magazine , 1972-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and

quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Mass Communication Ralph E. Hanson,2020-12-03 The best selling Mass Communication Living in a Media World presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers To help students better retain the material author Ralph E Hanson uses a storytelling approach that weaves in examples drawn from everyday life Readers are encouraged to consider the media industry from the inside out and in doing so discover the many dimensions of mass communication that operate in our society The thoroughly revised Eighth Edition highlights how social and digital media video games and the COVID 19 pandemic are changing the face of media This title is accompanied by a complete teaching and learning package

Capital of the World David Wallace,2012-09-04 A portrait of NewYork City in the roaring twenties

Adventures of a Bystander Peter Drucker,2017-07-12 Peter Drucker s lively and thoughtful memoirs are now available in paperback with a new introduction by the author He writes with wit and spirit about people he has encountered in a long and varied life including Sigmund Freud Henry Luce Alfred Sloan John L Lewis and Marshall McLuhan After beginning with his childhood in Vienna during and after World War I Drucker moves on to Europe in the 1920s and early 1930s describing the imminent doom posed by Hitler and the Nazis He then goes on to describe London during the 1930s America during the New Deal era the World War II years and beyond According to John Brooks of The New York Times Book Review Peter Drucker is at a corner cafe delightfully regaling anyone who will listen with tales of what must be one of the more varied and for a practitioner of such a narrow skill as that of management counseling astonishing of contemporary professional lives Dorothy Rabinowitz of the Washington Post writes The famous are here as well as the infamous All are the beneficiaries for better or for worse of Drucker s unerring eye for psychological detail his remorseless curiosity and his imaginative sympathy Drucker s book appears in a stroke to have restored the art of the memoir and of the essay Adventures of a Bystander reflects Drucker s vitality infinite curiosity and interest in people ideas and the forces behind them His book is a personal and informal account of the rich life of an independent man of letters a life that spans eight decades and two continents It will be of interest to scholars and professionals in the business world historians sociologists and admirers of Peter Drucker

The Magazine Century David E. Sumner,2010 The future of magazines Murky Their past Glorious How we got from there to here is told in this compelling history It s thrilling funny disturbing sad and ultimately inspiring And in these pages are broad and helpful hints on how we can return to glorious Richard B Stolley Founding Editor People and Senior Editorial Adviser Time Inc Book Jacket

[The Oxford Handbook of Religion and the American News Media](#) Diane Winston,2012-09-06 Whether the issue is the rise of religiously inspired terrorism the importance of faith based NGOs in global relief and development or campaigning for

evangelical voters in the U S religion proliferates in our newspapers and magazines on our radios and televisions on our computer screens and increasingly our mobile devices Americans who assumed society was becoming more and more secular have been surprised by religions rising visibility and central role in current events Yet this is hardly new the history of American journalism has deep religious roots and religion has long been part of the news mix Providing a wide ranging examination of how religion interacts with the news by applying the insights of history sociology and cultural studies to an analysis of media faith and the points at which they meet The Oxford Handbook of Religion and the American News Media is the go to volume for both secular and religious journalists and journalism educators scholars in media studies journalism studies religious studies and American studies Divided into five sections this handbook explores the historical relationship between religion and journalism in the USA how religion is covered in different media how different religions are reported on the main narratives of religion coverage and the religious press Publisher s website **Field Leadership** Ken

Shelton,2020-06-10 You already live work or play in a field but do you exercise proactive and principled leadership in your field During the decade of the 2020s you will be challenged and may be displaced your life disrupted by unforeseen events and conditions requiring you to make uncomfortable changes and perhaps enter new fields Field Leadership is an inspiring and practical guide for all those who perform in any field that expects them to excel as individuals and as team members and achieve desired wins and impressive results in spite of tough competition and market undulations With faith and focus you might lead yourself and others to achieve a 3X yield in your field New York Magazine ,1992-02-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **American Images of China,**

1931-1949 T. Christopher Jespersen,1999-02-01 In the 1930 s and 1940 s the prevalent American view of China was that of a friendly democratic and increasingly Christian state in many ways akin to the United States This view was fostered by a wide range of literary political and business leaders including Pearl S Buck Franklin D Roosevelt Wendell Willkie Joseph Stillwell Claire Chennault and most notably the powerful publisher of Life and Time Henry R Luce This book shows how the notion of the Chinese as aspiring Americans helped shape American opinions and policies toward Asia for almost twenty years This notion derived less from the reality of Chinese historical or cultural similarities than from a projection of American values and culture in the American view fueled by various political economic and religious interests China was less a geographical entity than a symbol of American hopes and fears One of the more important consequences was the idealization of China and the demonization of Japan **William S. Burroughs Cutting Up the Century** Joan Hawkins,Alex

Wermer-Colan,2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American

twentieth century including previously unpublished works William S Burroughs's Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice [Henry Luce's Way](#) New Word City,2010-03-01 In Time Life and Fortune Henry Luce invented three entirely new forms of journalism They changed our country largely for the better and made Luce a very wealthy man But his patriotic zeal and his obsessions with China Communism and Republican Party politics led him to ignore and distort inconvenient facts to make his case irreparably tarnishing his legacy His stunning successes and his self inflicted wounds hold lessons for every leader He invented the modern news magazine and named it Time revolutionized the coverage of business with a publication he called Fortune captured the world in pictures and christened it Life His publications were read by fully a quarter of the U S population and his ideas about journalism and the significance of American values left an indelible imprint on the history of the United States and the world He was Henry Robinson Luce Luce was America's most powerful mass communicator for more than 40 years Yet he was an odd contradictory man with few real friends and talents that were both more and less than they seemed His private life was largely a failure and his missionary zeal was never quite realized New Word City publishers of digital originals contributes 10 percent of its profits to literacy causes *History of the Mass Media in the United States* Margaret A. Blanchard,2013-12-19 The influence of the mass media on American history has been overwhelming History of the Mass Media in the United States examines the ways in which the media both affects and is affected by U S society From 1690 when the first American newspaper was founded to 1995 this encyclopedia covers more than 300 years of mass media history History of Mass Media in the United States contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics such as media coverage of wars major conflicts over press freedom court cases and legislation and the concerns and representation of ethnic and special interest groups The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological legal legislative economic and political developments that have affected the American media *Mr. Kaiser Goes to Washington* Stephen B. Adams,2000-11-09 In the 1940s the name Henry J Kaiser was magic Based on the success of

his shipyards Kaiser was hailed by the national media as the force behind a can do production miracle and credited by the American public with doing more to help President Roosevelt win World War II than any other civilian Kaiser also built an empire in construction cement magnesium steel and aluminum all based on government contracts government loans and changes in government regulations In this book Stephen Adams offers Kaiser s story as the first detailed case study of government entrepreneurship Taking a fresh look at the birth of modern business government relations he explores the symbiotic connection forged between FDR and Kaiser Adams shows that while Kaiser capitalized on opportunities provided by the growth of the federal government FDR found in Kaiser an industrial partner whose enterprises embodied New Deal goals The result of a confluence of administration policy and entrepreneurial zeal Kaiser s dramatic rise illustrates the important role of governmental relations in American entrepreneurial success Originally published in 1997 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Following the Front* Margot Clark-Junkins,2024-09-15 *Following the Front* is a compilation of WWII dispatches written by Sidney A Olson for TIME and LIFE magazines 1944 1945 Olson who joined Time Inc in 1939 and served as a senior editor there asked to be assigned overseas as a war correspondent In mid December 1944 he received his accreditation from the War Department and sailed for London Attached to the European Theater of Operations ETO Olson followed the Allied Forces as they pushed the Nazis back into Germany He typed up his reports and cabled them to his editors in New York *Following the front* meant being on the move constantly In late January Olson made his way to Paris flew to Brussels then drove to the battlefield in Holland From that time forward he never really stopped moving He would race ahead and circle back hopping from one military division to the next gradually making his way across Germany and into Austria His dispatches illustrate line by line battle by battle the extraordinary Allied effort to defeat Hitler **The New York Times Book Review** ,1968
