He gains a new power and the identity of La Mano del Destino in order to exact revenge upon his betrayers. Ranging from monster movies clearly owing to the heyday of Universal Studios to the lucha libre horror films featuring El Santo and the Wrestling Women, these low budget Mexploitation films offer plenty of campy fun and still inspire cult devotion, yet they also reward close study in surprising ways. This work places Mexploitation films in their historical and cultural context and provides close textual readings of a representative sample showing how they can be seen as important documents in the cultural debate over Mexico's past, present, and future. Stills accompany the text, and a selected filmography and bibliography complete the volume.

Modern Mexico James D. Huck Jr., 2017-12-01 This single volume reference resource offers students, scholars, and general readers alike an in-depth background on Mexico from the complexity of its pre-Columbian civilizations to its social and political development in the context of Western civilization. How did modern Mexico become a nation of multicultural diversity and rich indigenous traditions? What key roles do Mexico's non-Western pre-Columbian indigenous heritage and subsequent development as a major center in the Spanish colonial empire play in the country's identity today? How is Mexico today both Western and non-Western, part Native American and part European, simultaneously traditional and modern? Modern Mexico is a thematic encyclopedia that broadly covers the nation's history, both ancient and modern, its government, politics, and economics, as well as its culture, religion, traditions, philosophy, arts, and social structures. Additional topics include industry, labor, social classes, and ethnicity, women, education, language, food, leisure, and sport, and popular culture. Sidebars, images, and a Day in the Life feature round out the coverage in this accessible, engaging volume. Readers will come to understand how Mexico and the Mexican people today are the result of the processes of transculturation, globalization, and civilizational contact.
