the students of religion and history It is the rarest thing on earth to come across the mystic who will submit to such training or check his impressions by the stern discipline of research and though no one would deny that Mrs Kingsford had the ability we look in vain for the results of that accurate research in her works About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lucifer* H.
