Lucifer H. P. Blavatsky, 2014-03 This Is A New Release Of The Original 1889 Edition Lucifer ,1889 **Lucifer** ,1889-03 **Indian Arrivals, 1870-1915** Elleke Boehmer, 2015 Indian Arrivals 1870 1915 Networks of British Empire examines how at the height of empire Britain was threaded through with Indian influences and ideas in spite of colonial divisions Throughout the study is motivated by the notion that Indian travellers learned from the friendships they made in the west but also that they contributed to the development of a late Victorian cosmopolitanism of which they were an intrinsic part Tracing the intricate encounters that took place between arriving Indians and their British hosts often through the medium of literature and journalism the book paints a more textured picture than has been available to date of cross cultural contact between Indians and Britons and in so doing explores the myriad ways in which the centre of the nineteenth century imperial world was criss crossed by its margins just as the margins were by the centre Indian Arrivals offers a sustained reflection on what it is to arrive in another culture in all senses of the word **Esotericism and Deviance** ,2024-02-06 The concept of deviance has been central to the academic study of Western esotericism since its inception This book being the proceedings of the 6th Biennial Conference of the European Society for the Study of Western Esotericism ESSWE explores the relationship between esotericism and various forms of deviance as concept category and practice from antiquity until late modernity The volume is the first to combine incisive conceptual explorations of the concept of deviance and how it informs and challenges the study of esotericism alongside a wide range of empirically grounded case discussions **The Theosophic Messenger** ,1912 **A Taste for Purity** Julia Hauser, 2023-12-05 In nineteenth century Europe and North America an organized vegetarian movement began warning of the health risks and ethical problems of meat eating Presenting a vegetarian diet as a cure for the social ills brought on by industrialization and urbanization this movement idealized South Asia as a model In colonial India where diets were far more varied than Western admirers realized new motives for avoiding meat also took hold Hindu nationalists claimed that vegetarianism would cleanse the body for anticolonial resistance and an increasingly militant cow protection movement mobilized against meat eaters particularly Muslims Unearthing the connections among these developments and many others Julia Hauser explores the global history of vegetarianism from the mid nineteenth century to the early Cold War She traces personal networks and exchanges of knowledge spanning Europe the United States and South Asia highlighting mutual influence as well as the disconnects of cross cultural encounters Hauser argues that vegetarianism in this period was motivated by expansive visions of moral physical and even racial purification Adherents were convinced that society could be changed by transforming the body of the individual Hauser demonstrates that vegetarians in India and the West shared notions of purity which drew some toward not only internationalism and anticolonialism but also racism nationalism and violence Finding preoccupations with race and masculinity as well as links to colonialism and eugenics she reveals the implication of vegetarian movements in exclusionary

hierarchical projects Deeply researched and compellingly argued *A Taste for Purity* rewrites the history of vegetarianism on a global scale ***The Masks of Lucifer*** David Morris, 1992 This book examines ufology and belief in extra terrestrials as a cultural phenomenon The author examines how 19th century occultism particularly theosophy has been revitalized under the guise of scientific speculation and captured the popular imagination Unexplained or mysterious phenomenon such as UFOs alien visitors crop circles and the evidence for the astronaut gods theory are habitually interpreted by those who claim to have witnessed them in scientific terms a fact that the author believes can be explained partly by tensions and anxieties within society caused by political social and technological change ***The Secret Doctrine*** Helena Petrovna Blavatsky, 1993-01-01 A fountain of esoteric knowledge for deep truth seekers this classic work examines the birth and structure of the universe and how everything has the Divine as its source It also traces the development of humanity drawing from sacred scriptures mythology and legends to give a spiritual view of human beings Volume III is an index to help readers find any topic easily Illustrations ***The Occult Review*** , 1924 ***The Bulletin of the Hartford Public Library*** Hartford Public Library, 1913 ***Quarterly Bulletin of the Public Library, Hartford, Conn*** , 1911 ***The American Theosophist*** , 1911 ***Lucifer*** H. P. Blavatsky, Annie Besant, 2014-03 This Is A New Release Of The Original 1890 Edition ***The Publishers' Circular and General Record of British and Foreign Literature*** , 1889 ***Unholy Sensations*** Joshua Paddison, 2025 The true story of the first California cult scandal In 1891 a suffragist and social reformer named Alzire Chevaillier launched a moral crusade to destroy Fountaingrove a utopian spiritualist community in northern California Chevaillier accused the colony's leader the poet and prophet Thomas Lake Harris of perverting the teachings of the Bible to promote a new sexology that was worse than Mormonism She insisted that Harris used magical powers of hypnosis to take sexual and financial advantage of his followers turning them into a spiritual harem that practiced free love and other gross immoralities Media reports emphasized the presence of Japanese immigrant men at Fountaingrove raising racialized specters of miscegenation and moral contamination The international scandal full of the sorts of salacious details prized by newspaper editors at the dawn of the era of yellow journalism would last more than a decade establishing Harris as the prototype for a new type of public menace the California cult leader *Unholy Sensations* takes a close up look at the Fountaingrove scandal to examine religion gender sexuality and race in the Gilded Age from a fresh perspective By chronicling the life stories of the people swept up in the scandal *Unholy Sensations* reveals connections and tensions between a wide variety of nineteenth century religious and social groups including suffragists and spiritualists Christian Scientists and Theosophists journalists and politicians and Protestant ministers and urban reformers Together these disparate groups helped spark California's first cult scare demonizing Harris as the first but far from the last dangerous California cult leader By showing that the term cult has always been a marker of race sexuality and religion *Unholy Sensations* reveals the limits of American freedom and the centrality of religion to the policing of whiteness family and nation ***Publishers' circular and booksellers' record*** , 1889
