The Sense of Space David Morris,2004-08-24 The Sense of Space brings together space and body to show that space is a plastic environment charged with meaning that reflects the distinctive character of human embodiment in the full range of its moving perceptual emotional expressive developmental and social capacities Drawing on the philosophies of Merleau Ponty and Bergson as well as contemporary psychology to develop a renewed account of the moving perceiving body the book suggests that our sense of space ultimately reflects our ethical relations to other people and to the place we inhabit I like the combination of sober scholarship with imaginative thought and writing David Morris is fully at home in phenomenology while being quite knowledgeable of existing and pertinent scientific literature Having mastered both he creates a dynamic tension between them showing how each can fructify the other albeit in very different ways The result is truly impressive

Anthony Nussmeier **The Geomantic Year** Richard Leviton, 2006-11 The spiritual world blesses the Earth at least 58 times a year here's how you can join the party Do you think folklore customs about solstices and equinoxes and other regular celebration days are quaint holdovers from the past Not so Do you sometimes wish there were a way to include the entire planet in a meditation practice There is and it's called the geomantic year At least 58 times a year the spiritual world angels archangels Ascended Masters Star Angels even the Supreme Being tunes in to the Earth blesses and even heals it in real time day long events Our planet is constantly receiving input from the cosmos and heavenly realms It's all part of a rhythmic maintenance calendar in which the Earth is enlivened and all of humanity is invited to participate This book shows you how What kinds of events On Epiphany January 6 the Christ focuses on the planet to birth his Light On Bifrost Paints the Planet April 10 the Great Bear constellation envelopes the Earth in 14 rays of light On Michaelmas September 29 the Archangel Michael cleanses the Earth's sacred sites and all their plumbing Other events in the geomantic year involve stars Nature Spirits holy mountains River gods Pleiadians Hollow Earth dwellers Grail Kings volcano spirits the Great Mother and much more The Geomantic Year documents 58 festival dates that focus on the Earth through its sacred sites and it provides 58 simple meditations to help you participate And it offers 12 informative essays linking Earth energies with hot topics such as the Illuminati and world control parallel universes the world's gold supply the Ghost Dance the Fall of Man Earth and climate changes and the apocalyptic year 2012 Why not get out your appointment book and pencil in a few dates the Earth's expecting you **Christianity and Western Literature** Ambrose Mong, 2023-01-01 Some of the greatest works of Western literature have been inspired or influenced by powerful Christian themes In this fresh evaluation of this relationship and its development over the last two millennia Ambrose Mong studies a series of authors representative of the changing epochs Augustine Dante and Milton all wrote to serve the needs of the Christian community and combine their religious themes with scholarly excellence Meanwhile Shakespeare's plays and Coleridge's *The Rime of the Ancient Mariner* though not specific to the Christian faith nevertheless betray the dominant Christian values and imagery of their time Finally in Dostoevsky's *The Brothers Karamazov* and Greene's *The Power and the Glory* Christianity is put under scrutiny reflecting the increasing insecurity of its place in society Throughout Mong also shows that the themes in these works are to a certain extent universal Creation sin suffering and forgiveness are perennial human concerns beyond the exclusive purview of Christianity and these texts serve to challenge Christian assumptions as much as they are influenced by them Always thorough and sensitive to the unique context of each writer Mong's analysis provides an important grounding in the way Western literature has shaped and been shaped by the religion of its day **THE ICY SIDE OF THE SELF The Role of Cold in The Individuation Process** Enrico Francot, 2010 *English Miracle-plays Moralities and Interludes. Specimens of the Pre-elizabethan Drama. Ed. with an Introduction, Notes and Glossary, by Alfred W. Pollard* Alfred W. Pollard, [Anonymus AC10126565], 1890 *English Miracle Plays, Moralities, and Interludes* Alfred William Pollard, 1890 **The York Corpus Christi Plays** Clifford

Davidson,2011-10-01 The feast of Corpus Christi celebrated annually on Thursday after Trinity Sunday was devoted to the Eucharist and the normal practice was to have solemn processions through the city with the Host the consecrated wafer that was believed to have been transformed into the true body and blood of Jesus In this way the cultus Dei thus celebrated allowed the people to venerate the Eucharistic bread in order that they might be stimulated to devotion and brought symbolically even mystically into a relationship with the central moments of salvation history Perhaps it is logical therefore that pageants and plays were introduced in order to access yet another way of visualizing and participating in those events Thus the invisible things of the divine order from the creation of the world might be displayed The York Corpus Christi Plays contained in London British Library MS Add 35290 and comprising more than thirteen thousand lines of verse actually represent a unique survival of medieval theater They form the only complete play cycle verifiably associated with the feast of Corpus Christi that is extant and was performed at a specific location in England *The Dark Lands* Christina

Kaminski,2010-10-18 It started as a short story for a friend who does not believe in life after death But it took on a life of its own and did not stop until it could call itself a novel At the core a love story between two people one in heaven and one on earth it is about the way heaven might just be like full of fun mischief and misunderstanding Some people might find this book blasphemous but that was not the intention of the author This is what one reader had to say I laughed so often while reading South of Eden that my spouse asked me if I was opening email jokes South of Eden is a comedy romance and spiritual adventure rolled into one as the story compels the reader to root for the reunion of soul mates Gwyddy and Don As Don tours Heaven awaiting the arrival of Gwyddy he meets the Big Guy who surprisingly has a wonderful sense of humor He
