Embark on a transformative journey with Chris Ayako and El, renowned spirit mediums who offer a unique and intriguing approach to guide you on a path of healing and self-discovery. Midwest Book Review: McKeon digs deep into the realm of spirituality and healing, presenting a unique point of view. His writing shines in its clarity and honesty. Despite rather complex themes, I found the accessibility of the language made it easy for me to understand and was pleasantly surprised, particularly by McKeon's critical examination of commercialized spirituality and his innovative approach to energy testing. I felt that he went above and beyond what I had hoped for concerning understanding and healing. I believe *The Big Healing* will resonate with all who are looking for spiritual growth and personal transformation. Very highly recommended. Readers Favorite Book Review: At the work's core, there is an emphasis on why it is necessary to question and not simply take what is presented to you as the ultimate truth; the genuine belief the author and his children possess is sincere and may possibly prompt readers to take a leap of faith to experience the same feeling of awe and release resulting in a thoroughly cathartic experience. US Review of Books: Our explosive conversation the next 18 hours reveals through our revelation and response the mind-blowing truth of our creator, Mina, the human person God who built our universe. Lucifer, Michael, religion's Fall of Man, angels, spirit, humanity, spirit world, why we are as we are, our universe as never before imagined, and too the liberation and hope of *The Big Healing*. Be prepared for as wild a ride through a reality as unexpected as undreamed. Spirit mediums Chris and his daughters Ayako and El shatter the paradigms and magical thinking handed down to us through history by religion, philosophy, mysticism, and science. Experience as we did healing your trauma, pain, and suffering through awareness of your true reality. Endnotes packed with stories, vignettes, testimonies, and information help explain certain aspects of our your life experience. You'll never feel the same or look at the world around you the way you did as your mind and heart take flight with new wings on fresh winds. Best of all, we introduce you to how to get your own answers from Mina, angels, your spirit family, and guides and willing spirit persons. Don't take ours on faith as a participant in the nascent worldwide energy testing community. It all awaits you inside. This book opens up healing for anyone. It opens a path to your physical and spiritual happiness and satisfaction with life. It all awaits you inside.
