But will Hudson make the ultimate choice and disavow his salvation to become an aristocrat in Hell? A house with atrocities soaked in its walls, a Christian church perverted into a chapel of abomination, infant corpses exhumed for a diabolic rite. These ingredients are only the beginning of Edward Lee's latest excursion into hardcore occult horror. LUCIFER'S LOTTERY takes the reader on a macabre and harrowing trek of unspeakable evil, devilish intrigue, demented eroticism, and ends in the very mansion of Satan himself. Methuselah's Hidden Antediluvian Abridgement James Hendershot, 2014-10-14

Too much of humanity's history might have been lost through the great flood which mercifully rendered humankind another chance to dwell on the Earth. This fictional account through Methuselah begins with the creation of the two Earths and follows Adam through his multiple wives, torn by sons who murder each other. His remaining sons divide into tribes separated by their relationship with the creator. Nonetheless, wickedness rose in Seth's tribe while righteousness comes forth from Cain's seed. Eve rewards Irad after he avenges the murder of his mother, who was a favored stepdaughter of Eve. Eve rewards Irad with three of her cherished daughters. They launch a new homeland beyond the two established borders and through their faith in the God of Adam find favor with the Ancient One, who reestablishes his covenant with a descendant of Habil. Cain, Lilith, and several of her daughters bond with Duci, one of Irad's wives, exploring the wild, unsettled bulk of Pangaea lands beyond the invisible border which protects humanity from the hungry dinosaurs living in the open wilderness. Duci, with help from the Nephilim, build the foundations for their two new cities and multiple temples. Irad's tribe sails on secret ships to the southern hemisphere and build a Holy nation serving the Ancient One. Enoch settles his small family on a mountaintop protected by angels as humanity falls into the final stage of wickedness. Irad and his wives end their long, fruitful lives; nevertheless, they watch from heaven as the vast majority of their family chose to follow their own gods and disown the Ancient One. Just three young men, who must sail to a distant island with their wives, remain servants of the Ancient One. Noah builds a giant rectangle ship, boarding his sons and many wild animals, saving them through a large flood. Avram sails through the flood with his small group while watching death consume the lands.
